LET'S DISCUSS IT – JANUARY 2009 & FEBRUARY 2009 TOPICS

In January we covered:

Skype
RSS Feeds
Google search
Book printing on the net
Picasa
Rootstelevision
Podcasts

In February we discussed:

zabasearch.com, veromi.net, melissadata.com
www.tngs.org and links available on the tngs page
GEDCOM
Genealogy software
DNA studies and companies doing it.
Heritage Quest from home
Revolutionary War Records
Data in surprising places - pensions, lunatic records
Whole room shared information and questions on data sources, discoveries, photography, hardware etc
etc. A VERY lively meeting.
