## Let's Discuss It - 23 May 2009

27 June 2009 Let's Discuss It moderator will be: Tina Sansone	Interesting information on the Social Security Death Index: <a href="http://www.rootsweb.ancestry.com/~rwgui">http://www.rootsweb.ancestry.com/~rwgui</a>
Fall schedule not yet complete, but first fall version of Let's Discuss It is scheduled for 26 September 2009, according to the TennGen web site. Watch the schedule of classes on the Tennessee Genealogical Society web page: <a href="http://www.tngs.org">http://www.tngs.org</a>	de/lesson10.htm
Germantown Library <a href="http://www.germantown-library.org/">http://www.germantown-library.org/</a> (reference tools (top right))	
Collierville Library <a href="http://www.collierville.com/library-home">http://www.collierville.com/library-home</a> (search online databases (top right of screen)) If you bookmarked the Collierville Library very long ago, you're pointing to the wrong site. Replace your previous link with this one. This one prompts correctly for entry of the username for American's Genealogy Bank.

Questions from last meeting:  1. Can you add to the historical events list? I couldn't find any way to do that. You can add custom events to the family events.  2. What are the size limits for notes and your family file in FTM2009? Hope some of you could find this answer, because I can't find them published anywhere!!	
Problems with the update, or is it just me?
