# MEMPHIS MEMBERS - NEWS AND NOTES

Warm weather is no deterrent to our Memphis members when it comes to searching for our ancestors. Progress is being made too. We are enjoying the facilities of our enlarged genealogical department at Cossitt Library, where may be seen on these all too short summer days and evenings, such diligent seekers after data as Thirza Mobley, Virginia Valentine, Laurence and Lillian Gardiner, Sally Basler, Margaret Ayres, Jerry Blair, D'Ann Sullivan and many others.

This seems to be a good time and place to announce plans for purchase of more microfilm of census schedules. Evelyn (Mrs. E. Hope) Erooms, Library Chairman, tells us that soon our goal may be reached - census schedules for States surrounding Tennessee, at least those from 1800 through 1850.

We miss Margaretta (Mrs. Grayson) Lambert who left us in June to live in Tulsa, then in Phoenix; but we do appreciate her thoughtfulness in bequeathing to the Society copies of "Memorial Addresses on the Life and Character of George Washington Gordon" (Confederate General), speeches made at "Presentation of Statue of Andrew Jackson to U. S. by the State of Tennessee", "Turn of the Century, Record of the House of Thomas Oakes & Co.", "Military Annals of Tennessee, 1861-1865, Confederate", "Literary Memphis" by Dr. Marshall Wingfield.

Study Group meetings were held in April at the home of Mrs. Frank Basler; in May at the home of Mrs. Reginald Tolar; in June at the home of Mrs. R. C. McKittrick. These get-togethers are fun as well as work sessions. Those who have been unable to attend are missing opportunities.

Many favorable comments have been heard about the classes for beginners conducted by Mr. Laurence Gardiner last Spring. Plans are in the offing for conducted tours of court houses in the surrounding area as soon as the summer heat abates a bit.

New Members Welcome! Mrs. William W. Harris, 1108 Kingspark Road; Mrs. Scott Julian, 868 N. Auburndale; Mrs. James A. Lassetter, 1675 Overton Park Ave.; Mrs. Wm. M. Porter, 3141 Radford Road.

ANNOUNCEMENT: JULY MEETING AT LEADER-FEDERAL BUILDING on Poplar Ave. at 7:30 P.M. on the 18th of July. Betty Goff (Mrs. James B.) Cartwright, Program Chairman has been fortunate enough to secure the consent of Eleanor (Mrs. T. P.) Hughes to tell us about her pilgrimage to the North Carolina Archives and State Library in Raleigh. No one with North Carolina ancestors will miss this program, willingly. So, -- See you on the 18th.

Wilena Roberts Bejach (Mrs. L. D.)  
President

OVER THE EDITOR'S DESK

Summer time is really harvest time for many genealogists, as they take to the road on vacations laden with notebook and pencil, hoping to find that missing link. Happy hunting!

If you want us to be able to help you more in the future with some of your missing links, please send us your five (or more) generation charts. The charts that have been received to date are in the process of being copied onto card files. Having your family names and data on individual cards will make it possible to give your name to others (or vice versa) working on your lines. If your chart is not in our office, please send it at once to Mrs. Charles R. Gilley, 95 South Mendenhall, Memphis 17, Tennessee. Mrs. Gilley is in charge of this much needed project.

NEWS FROM OUR FELLOW PUBLISHERS

The ALABAMA GENEALOGICAL REGISTER, published quarterly (annual subscription \$5.00), is an excellent source of Alabama material. The Editor, Elizabeth Wood Thomas, is to be congratulated on the well balanced contents which include (Vol. II, No. 1, March, 1960) the 1850 Census of Lowndes Co., Ala., Bibb Co., Ala. Deed Book A, Early Alabama Trails, Marengo Co., Ala. Marriages 1818-1825, Tombstone Inscriptions - Pickens and Hale Cos., Ala., plus book reviews and a query section. Order from: P. O. Box 284, Tuscaloosa, Alabama.

"ECHOES", the publication of the East Tennessee Historical Society, contains notes and articles of interest to those working on Tennessee lineage. The bulletin also has a query section. Write the Society, c/o Lawson McGhee Library, Knoxville, Tennessee. Membership \$5.00 a year.

Of interest to Tennessee researchers - - THE SOUTHERN GENEALOGIST EXCHANGE QUARTERLY is publishing some of the 1830 census schedules of East Tennessee Counties. The Summer, 1960 issue No. 14 has Blount County, Tennessee. Issue No. 9 had Anderson County, issue No. 11 had Bledsoe Co., and issue No. 13 had Campbell Co. Subscription rate - \$3.00. Order from: Mrs. Aurora C. Shaw, Editor, 2525 Oak St., Jacksonville 4, Florida.

Why not try the GENEALOGICAL NEWSLETTER, edited by Inez Waldenmaier, #802, 3023 Fourteenth St., NW, Washington 9, D.C.? It is a treasure house of much needed data on what is new in the field of genealogy. It contains finding lists of newly published county histories, marriage records, family histories, and genealogies plus a query section and other items of interest. \$4 a year.

The KANSAS CITY GENEALOGIST (146 N. Lawn, Kansas City 23, Missouri) has had an interesting article titled, "Dig Up Your Ancestors or Cemetery Records" by Miss Eleanor Sheley. The article covered all phases of research in cemeteries and has appeared in the May and June issue of their publication. It would be a good article to print and sell - especially to beginners.

The GENEALOGICAL FORUM OF PORTLAND, OREGON is running a supplement to their bulletin titled, "Aid in Place Location" by Dorothy Remington Cutts. The article clears up the puzzle about the location of a place in one of the New England states which you cannot find on a state map, an atlas, or a postal guide. It explains the difference between a township as most of us know it and those in the East. In 1952 there were 932 townships in New York state and 610 municipalities. The Forum is publishing the townships and the county where they are located for the state of New York.

### TOOLS FOR RESEARCH

Mennonite church records have been moved to the Seminary Building, Goshen College, Goshen, Indiana. Their Historian, Mr. Melvin Gingerich, is in charge.

Miss Elizabeth Hughey, Librarian, The Methodist Publishing House, Nashville, Tennessee, advises that they are not set up to do research for individuals writing them for material of a genealogical nature. She does say that the MINUTES OF THE ANNUAL CONFERENCES OF THE METHODIST EPISCOPAL CHURCH AND THE METHODIST EPISCOPAL CHURCH, SOUTH and the NASHVILLE CHRISTIAN ADVOCATE have been microfilmed and are available for purchase from the American Theological Library Association, care of Dr. Raymond P. Morris, Yale Divinity School Library, New Haven, Conn.

Mrs. Rozelle C. Wax, 108 South 7th St., Amory, Mississippi, has had the COMPLETE INDEX OF ALL WILLS AND ESTATE SETTLEMENTS OR ADMINISTRATIONS in the Court House, Pontotoc, Mississippi, 1836-70 mimeographed and enclosed in attractive dark blue folders for the price of \$3.90. Please order direct from Mrs. Wax.

EARLY SETTLERS OF ALABAMA by James Edmonds Saunders is being re-printed by the Willo Publishing Co., P. O. Box 284, Tuscaloosa, Alabama. Price \$12.50. The book was compiled by Col. James E. Saunders (1806-1896) in the latter years of his life and contains an outstanding collection of genealogies and history of Alabama. After his death his granddaughter, Mrs. Stubbs, added Part II and published it in 1899. The book is completely documented and makes an excellent and accepted reference book on early Alabama.

The JACKSON COUNTY, MISSOURI CENSUS OF 1850 is now ready for mailing. 149 pages, 14,000 inhabitants listed, price \$5.00. This schedule for 1850 covers Independence and Kansas City - Eastern terminus of the Santa Fe Trail and the Oregon Trail. Alphabetized. Mrs. H. E. Poppino, 4307 Gillham Rd., Kansas City 10, Mo.

### FAMILY HISTORIES

Please note ad page (inside back cover) for information on THE RUSSELL FAMILY IN VIRGINIA by Mr. Louis des Cognets, Jr.

Chedwato Service (publishers of Ancestral Notes) has published HANNAH BOONE AND HER DESCENDANTS compiled by Bess L. Hawthorne. Price \$4.00. Hannah Boone was a sister to Daniel Boone. The book is fully indexed and gives a very complete listing of her descendants through her two husbands, James Stewart and Richard Pennington. Also included are details not included in the Boone Family by Mrs. Spraker.

POTPOURRI - genealogical tidbits gathered from here and there:

The Bent Creek Cemetery, located in the upper end of Hamblen County in Eastern Tennessee about a mile south of the little village of Whitesburg, marks its 150th Anniversary. Settlement in this part of the county had commenced shortly after the Revolutionary War and in 1785 Bent Creek Baptist Church had been organized with Tidence Lane the first pastor, and with Isaac Barton, William Murphy, James Roddye, Jacob Coffman, Samuel Riggs, William Horner, and many others prominent in its growth.

The burying ground was given in 1810, twenty-five years after the organization of this church, by William Horner. Some of the names on the old tombstones are as follows: James Roddye, Rev. War soldier; Caleb Witt, Rev. War soldier; John Kirkpatrick (whose grave was originally marked with a large limestone rock

July 1960

inscribed JBK, May 1741), Rev. War soldier - family tradition states he brought the first four wheeled wagon into Tennessee and formed the Salem Presbyterian Church near Bulls Gap, Tennessee; Patrick Nenny, d. 4-28-1824, Rev. War soldier; Elder Andrew Coffman (1784-1864) and wife, Nancy (1783-1872); Alexander McDonald (1768-1834); Samuel White (1780-1854); another Samuel White (1751-1804) - both Whites were from Loudon County, Virginia. There are other names such as: Ballard, Cobble, Colyer, Courtney, Cox, Dean, Dyer, Estes, Flagg, Gordon, Harmon, Haun, Mooney, Moore, Murdoch, Pangle, Parvin, Pruitt, Rader, Rhea, Russell, Smith, Taylor and others.

This anniversary year a monument is being erected marking the grave of the first man buried in Bent Creek, an unknown traveller from North Carolina who died in the home of William Horner. Subscriptions to the Permanent Care Fund of this cemetery are being solicited and a revised list of tombstone inscriptions has been compiled and are available for a fee of \$2.50 from Mrs. Joel H. Ponder, New Bright's Pike, Morristown, Tennessee. The list contains the names of 688 graves. Mrs. Ponder would also welcome family Bible records, or data of any nature, relating to any family with Bent Creek background. Such material will be filed with other records.

The LOCAL HISTORY AND GENEALOGICAL SOCIETY of Dallas, Texas held its Spring Workshop May 20th and 21st at the Dallas Public Library. Texas is certainly wide awake in the field of genealogy which is evidenced by some nine or more Societies and publications.

"ANSEARCHIN'" NEWS joins the many other publications in wishing the 1960 Census had been more detailed. This last census seems to have been a big disappointment to people everywhere.

PLEASE NOTE: The October issue of "Ansearchin'" may be late. Don't write!!

WARE FAMILY BIBLE

Copied April 25, 1960 by Mrs. L. D. Bejach, 43 Belleair Drive, Memphis, Tennessee

The following Bible record is taken from a Bible now (1960) owned by Mrs. Irby W. Eller, 1700 Euclid St., Memphis, Tennessee. It was the property of Miss Lyda Caldwell of Memphis who died leaving her personal property to Mrs. Eller, she (Miss Caldwell) having no close relatives. Mrs. Eller states that Miss Caldwell's mother was a Pierce and her father was Douglas Caldwell. The Bible is ancient and in poor condition. All that is left of the title page says, "EDINBURGH: Printed by Mark and Charles Kerr, His Majesty's Printers". This is below the Arms of Britain with the motto "Dieu et mon Droit". The printing uses the old form of the letter S (f). It is bound in heavy leather. At least one page of the family record is gone. At the end of the Apocrypha is a blank space on which appears:

An important addition to material relating to Tennessee in the Revolutionary War was secured from the North Carolina Archives by President Wilena Roberts Bejach and will be made available to our readers in a future issue of "Ansearchin'". We speak of a list of men who accompanied General Rutherford on an expedition to "quiet" the Cherokees in the area that now is East Tennessee. As far as we know this list has never appeared in print and will prove helpful to those searching for ancestors during the Revolutionary War period.

INDEX TO: EXPENDITURES FOR REMOVAL OF CHICKASAW INDIANS will be run again in the October issue. Sorry we could not get them in this time.

SOS - Does anyone know the whereabouts of any descendant of Mrs. Eva Turner Clark who published "Francis Epps, His Ancestors and Descendants" in 1942? She died on West Coast in 1947 - maintained residence in New York. Am interested in locating her collection of Gibbons' material promised when she wrote the above mentioned book. The Editor, Mrs. O'Hara.

THE "LOST" MINUTE BOOK OF STEWART COUNTY, TENNESSEE

Abstracted by:

Ruth Henley G. Duncan (Mrs. I. G.), Director of Research

A Minute Book of Stewart County, Tennessee, was discovered by me, more than ten years ago, on a visit to the Confederate Museum in Dover, Tennessee. This old Minute Book was reposing in a glass showcase in the musty basement of the Museum. The Curator had no knowledge of how many years this important record of their County history had been lying there. This accounts for the book not being covered when the W.P.A. copied some of our county records. This fact continued to nag me through the years and this past year I was successful in getting this important document sent in to our State Archives for restoration through the cooperation of our State Archivist, Mr. Robert Quarles, and the local officials of Stewart County. I am very grateful for their cooperation in the matter and feel that many persons will find material within its covers to prove the missing links in their lineage, where before they were stumped. This is more comprehensible to the new searchers of genealogical material, who are not familiar with the genesis of our county formation. (See diagram below.) Stewart County was organized in 1803 from Montgomery County, which had been a part of the short lived "Tennessee" County erected in 1788 by the State of North Carolina. Stewart County embraced all of the "Chickasaw Purchase", engineered by the celebrated Andrew Jackson. For a complete picture of early West Tennessee, see Mr. Roy Black's erudite paper, "The Genesis of County Organization in Western District of North Carolina and in the State of Tennessee" Vol. II, pp 95-118, West Tennessee Historical Society, published 1948. Stewart County, erected in 1803, covered a vast territory and no territory was taken from its boundaries until 1819. Stewart County could very well be called the "Mother" of all West Tennessee Counties. Stewart County ceded territory for seven new counties during a brief period of two years, 1819-1821. They were - Hardin, Humphries, Perry, Henry, Carroll, Henderson, and Madison. Shelby was formed from Hardin in 1819. Good luck Searchers! I trust my persistence combined with the efforts of our State Archivist will assist you to find the missing link or proof needed on your ancestor who came westward at this period.

Humphries County records were burned in a Courthouse fire, so it is hoped searchers may pick up documentary proof to prove a genealogical problem by studying the records of Stewart County and "her offsprings".

From Virginia came: James Scarborough, Sr., James Scarborough, Jr., Davis Andrews and Ebenezar Rumphelt. Other pioneer families were the Lewis, Gorham, Weeks, Parchman, Walter and Akers. Most of the settlers from North Carolina had grants of land for Revolutionary Services. For several years they suffered much from the depredations of the Indians.

PETITIONERS OF SUMNER COUNTY, TENNESSEE

Copied by

Ruth H. Duncan (Mrs. I. G.), Director of Research

To The Honourable the General Assembly of the State of Tennessee

We your Petitioners the Inhabitants of the lower end of Sumner County (Humbly Sheweth) That being informed that at the last General Assembly that there was a Bill laid in to divide the County of Sumner by a line to run on the extreme height of the ridge that divide the waters of Goose Creek from Dixon Creek to begin at Cumberland River and to extend to the Kentucke State Line so as to form a County West of said line, to the great disadvantage of a large majority of the Inhabitants of S<sup>d</sup> County, by reason it would form a County at least Forty Miles or upwards long and not exceeding Fifteen or Eighteen miles in width at farthest which would put a number of the Citizens of said County in a very disagreeable situation having so far to attend Courts, and all other public duties requiring their attendance at said Court House; and whereas the County of Sumner as the line now stands is composed generally of rich and Fertile soil almost every spot of which can be settled, and contains bounds sufficient for three if not four Constitutional Counties when settled, and will admit of the Court Houses of each succeeding County being fixed on a water course of sufficient navigation to export to and from said Court house any kind of produce, or Merchandize if laid off in Squares of twenty five miles each way, and the Court house fixed in the center as near as convenience will permit, and in so laying off or dividing said County, there will be a Water course as beforemention'd running through each county at or near the centre ---- which advantages your Petitioners humbly request your Honourable body to take under your wise deliberation and not admit of any new County being laid off that will leave more than Twenty five miles, to begin at the East boundary line of Davidson County and extend an East course up Cumberland River and then begin on the Kentucke State line so that a South S<sup>o</sup> East course will just leave Twenty five miles to the West, crossing Cumberland to the Indian boundary line and then the West side of S<sup>d</sup> crossing line that is within the bounds of Sumner County will be sufficient to form two complete square Counties when settled, which would be much to the benefit and convenience of the present and future Settlers within S<sup>d</sup> bounds, and from the rapid Emigrations made on Stones River and it's waters, We have great reason to believe that against our next Session of Assembly they will be sufficiently numerous to constitute a County, and if they request ought to have it granted, As the waters of S<sup>d</sup> River contains bounds sufficient for a complete square County and have all the advantages of Navigation as beforemention'd, if not destroy'd by having Counties previously laid off in long narrow string's up and down Cumberland River on both sides making said River the dividing line merely to serve the Interest of a few designing Individuals, which your Petitioners humbly request your Honourable Body will never permit to be accomplished, being fully assured your Intentions are, to do Equal and Impartial Justice to your Constituents, when in possession of Facts (all of which we have endeavour'd to state to you) And we being inform'd that the Inhabitants of Sumner County all those above the waters of Bledsoes Creek are desirous of becoming a separate County, to divide S<sup>d</sup> County agreeable to the line beforemention'd that begins on the Kentucke State and runs a South S<sup>o</sup> East course crossing Cumberland River to the Indian boundary line and we your Petitioners humbly request that said County may be divided agreeable to said line and in so doing your Petitioners will as in duty bound ever pray.

House of Representatives, Sept. 30, 1799. Rec'd and referred to Committee of propositions & grievances - Ed Scott, Secty. In Senate 30th Sept., 1799 - rec'd and referred by above - John Kennedy, Secty. (Signers on back of page.)
