MEMPHIS NEWS AND NOTES

A new year. Another opportunity! All of us can use both. Did we add names and dates to our charts last year? Did we follow up on every clue? Did we WRITE THOSE LETTERS? It is time to take stock and plan our campaign for 1961.

THANKS DEPARTMENT: A large gold star to Virginia (Mrs. Harry) O'Hara! We appreciate your work as editor of ANSEARCHIN[®] NEWS. We are proud of the national recognition you have brought us for the high quality of our publication. We realize we have a "precious jewel" in an editor who sometimes sacrifices social life, travel, and her own family research that we may have a useful and beautiful Quarterly. To Jewel (Mrs. E. M.) Standefer, thanks for prompt and efficient mailing of meeting notices; and thanks, too, to Libby (Mrs. R.) Tolar for her cheerful procuring of places to meet. Thank you Henrietta (Mrs. Chas. R.) Gilley for your business-like ways with our income and outgo. Special thanks are also due Evelyn (Mrs. E. Hope) Brooks, Mrs. C. G. Young, and Frances (Mrs. Rogers M.) Clark for their productive labors in ordering, checking, and placing in Cossitt Library in Memphis a large addition to the collection of microfilm of census schedules. We are grateful for the cooperation of Mr. Lamar Wallis, Director, Miss Mary Davant, and others of the staff of the Reference Department. This administration has been most fortunate in its loyal "working togetherness".

WELCOME New Members: Mr. H. Kennon Smith, 1308 N. Parkway; Mrs. Thos. P. Hughes, 4140 Chanwil; Mrs. Roy L. Ballinger, 1805 Central; and Mrs. E. M. Sharpe, 3613 Watauga. All are from Memphis.

We enjoyed meeting for study and exchange of ideas at the home of Bertie (Mrs. L. D.) Bates in November. Our December meeting was cancelled due to the busy holiday season. On January 16th, Mr. Lamar Wallis, Director of Memphis Public Libraries, spoke to us at our meeting at Highland Heights Branch of Union Planters Bank. Our members were glad to meet with Mr. Wallis and personally to thank him for his help and his cooperative attitude on furthering the aims of this Society.

Your President, in November, was happy to be able to visit the Genealogical Department of Dallas Public Library, and to meet its charming and able Director, Mrs. Margaret Barrett Pratt. Mrs. Pratt turned into home-folks when we learned that she was born in Tipton and has family connections in Shelby County, Tennessee. We were impressed with the modern facilities and comprehensive collection of printed records to be found in that library.

During that often quiet time, the period between Christmas and New Year's Day, we slipped away for three days at the State Archives, Raleigh, N. C. where we renewed acquaintance with Mrs. Mary Rogers, Director of the Search Room, and others of the staff. On our return, had a brief "look-see" at the records in Chatham Court House, Pittsboro. For those who may have lost an ancestor there, be assured that Mr. Lemuel Johnson, Register of Deeds, could not be more understanding nor more willing to help. It renewed our spirit to meet so cooperative a public official.

Wilena Roberts Bejack (Mrs. L. Dilliard)

OVER THE EDITOR'S DESK:

Your enthusiasm for "Ansearchin' News" makes us happy indeed and we sincerely hope the material assembled for 1961 will aid an even greater percent of you. There are ninety-five counties in the State of Tennessee and it would be impossible to run a worthwhile article on each county in our limit of one hundred and forty pages a year. Be patient! Subscribing to a genealogical publication in hopes of receiving the answer to all your questions is like playing the slot machine, you may hit the "jack-pot" - 'most any day.

Your Editor was sorry that an emergency took her out of town the afternoon Mrs. Hermione D. (Mrs. Chas. A.) Embry, Librarian, Tennessee State Library Division, addressed the Society. Excerpts from her excellent talk will be included in the April issue. The material will help many of you who might be planning a trip to Nashville to do research.

We wish to take this opportunity to thank the many genealogical publications that reviewed our work this past year. We have received many new members through this channel and the kind words have been appreciated.

NEWS FROM OUR FELLOW PUBLISHERS:

We mourn the demise of the GENEALOGICAL NEWSLETTER, edited by Inez Waldenmaier of Washington, D. C. It filled a need not covered by other publications in this field -- it was truly unique!

THE SOUTHERN GENEALOGIST EXCHANGE (2525 Oak St., Jacksonville 4, Florida - \$3.50 per year, single copy \$1.00) has published the 1830 census of Claiborne County, Tennessee by Miss Pollyanna Creekmore in Issue No. 16, Winter 1960.

GOLDEN GRAINS OF RESEARCH - 81 pages of family names and people working the lines - \$1.00 per copy from: The Genealogical Society of Montana, 250 11th St., West, Billings, Montana.

We are pleased to add to our growing list of exchange editions THE COLORADO GENEALOGIST, edited by Bernice Fitzsimmons Hathaway, and a publication of the Colorado Genealogical Society of Denver. The Society maintains a complete name index, and they invite each of you to submit names for checking. Please send your names and a self addressed stamped envelope to Mr. S. P. Shepard, Corresponding Secretary, 3386 W. 34th Ave., Denver 11, Colorado. There is no charge for this service. Should you wish to subscribe to their very worthwhile publication, the price is \$2.00 a year to non-resident subscribers. Mr. Shepard will handle the details.

What promises to be another Texas publication of note is the new Austin Genealogy Society Quarterly, yet unnamed. The quarterly made its formal bow in November 1960 - 20 pages complete with index. Dues \$3.00 from: Mrs. Chas. A. Walker, 3108 Cherrywood Rd., Austin, Texas.

A bouquet to Texas -- an invitation was extended to the ten genealogical societies and other interested groups in Texas by the President of the Fort Worth Genealogical Society, Mrs. Edna Perry Deckler, to attend the organiza-

tional meeting of the Texas State Genealogical Society held November 28, 1960 in Fort Worth. We were pleased to note that one of their resolutions read, "We desire to hold annual institutions of genealogical research, to organize societies in cities where there are now none, to publish a quarterly of high scholastic standards, to prevent duplication of works of various groups, to exchange ancestral charts, and to cooperate with all existing genealogical, historical, and patriotic groups ---." Texas is very genealogy conscious and the fact that their history is so closely allied with that of Tennessee makes us wish for such an organization the best of luck in reaching their goals.

TOOLS FOR RESEARCH:

In reply to our questionnaire about whether or not to continue this part of the publication, Mrs. J. C. Wax, 108 South 7th St., Amory, Mississippi, writes, "You often wonder if anyone is interested in this department of 'Tools for Research'. I was amazed to find such good response and to know libraries, book stores, etc. did want such items in their collections." Last year we mentioned the "Complete Index of All Wills & Estate Settlements or Administrations" in the court house at Pontotoc, Mississippi for the years 1836-70 which are available from Mrs. Wax for the nominal fee of \$3.90 and the response brought the above letter. (By the way, she still has a few copies which she will mail the same day the order is received.)

Searchers using the Memphis Public Library will be delighted with the newest addition to the census microfilm. Mrs. E. Hope Brooks, Librarian, reports that since 1958 the Memphis Genealogical Society, in cooperation with the Memphis Public Library, has placed a total of 226 rolls of film on file at a cost of one thousand four hundred sixty nine dollars. The film are listed for easy reference:

We have not had a formal notice, but have heard via the proverbial "grapevine" that GIBSON COUNTY HISTORY, PAST AND PRESENT will be off the press early in 1961. Pre-publication price is \$7.50. This book will come from McCowat-Mercer Press in Jackson, Tennessee.

Coming off the press in April 1961 will be the two volumes offering the first complete guide to Irish genealogical research ever published in America or abroad. The work is titled, IRISH AND SCOTCH-IRISH ANCESTRAL RESEARCH, and is the result of extensive research in Ireland, continuous consultation with the Directors of important repositories of genealogical records, and the accumulation of a private library of over two thousand volumes of source material by Margaret Dickson Falley, Fellow of the American Society of Genealogists. If ordered before March 1, 1961 -- \$28.50, if ordered before April 1, 1961 --

\$31.50, after April 1, 1961, the price will be \$35.00. Send orders to the compiler: Margaret Dickson Falley, 999 Michigan Avenue, Evanston, Illinois.

The Louisiana Genealogical and Historical Society announces the recent publication of its first major work, a volume entitled, BE IT KNOWN AND REMEMBERED; BIBLE RECORDS, Volume I. It contains family records from old Bibles from twenty-three Louisiana Parishes and refers to twenty-one other states and 6 countries. 194 pages, 177 individual family Bible records. Price is \$5.00. Order from the Society, P. O. Box 335, Baton Rouge, Louisiana.

FAMILY HISTORIES:

A copy of the JAMISON FAMILY - 1647-1960 by Henry Downs Jamison, Jr. may be bought for \$10.00 by writing: Mrs. Chas. A. Embry, Sr., Apt. 103 Sterling Ct., Nashville 12, Tennessee. This publication is just off the press and ready for delivery.

Notice to all BOLLING descendants: if you know of the whereabouts of any material on any branch of this large family; know of any person who is a Bolling descendant; or anyone who has done work on any Bolling line, please notify Mr. Colin James, 636 Gaylord St., Denver, Colorado. Mr. James is gathering material on the various branches of this large family in anticipation of the publication of a complete record of the English ancestry and descendants to date of Col. Robert Bolling (1646-1709), the immigrant of 1660 to Virginia.

Emma Sue Williams, P. O. Box 351, Athens, Tennessee, is collecting Genealogical data on early settlers of McMinn County, Tennessee for the McMinn County Chapter of the East Tennessee Historical Society for inclusion in a new county history. Please notify her, if you are a descendant of any of the early families.

Mrs. Belle Elizabeth David, Bruno, Arkansas, has issued the first edition of THE YOUNGERS. The principal object at this time is to have every Younger family registered and recorded. For family chart to complete and details of the organization write Mrs. David.

THE CHANTICLEER, Correlating Cox in America, published quarterly, is designed as a reference aid to circularize research data on the surname Cox. How to get on the mailing list, queries, and research data should be submitted to: Mr. Roland Smith, 130 Jennie Drive, Concord, California.

Mrs. Janet A. Curtis, Editor for the Austin Family Association of America, has collected records of several Austin families in Tennessee including Stephen Austin, Rev. War soldier, who died 1850 in Hardin County, Tennessee. She is most anxious to contact any and all Austin families and will exchange research. She has access to the William and Mary College Library, also to the Virginia State Library. She will do research there on any name in Virginia, for you as a member of MGS, in exchange for like time on the name of Austin and variants in Tennessee. Mrs. Curtis also has thousands of cemetery records from Hartford Co., Maryland along with some Parish records and some early 1800 Wills which she will search for any one name for \$1.00.

Thanks to Mr. Andy Weddington, R. F. D., No. 3, Pulaski, Tennessee for the two volumes of WEDDINGTON History. They include the genealogy of the two brothers, John and William, who lived in North Carolina, and two other brothers, Jacob and Henry, who came from Virginia to Kentucky at an early date. We also wish to thank Miss Florence LeClercq Eisele, 609 Washington Street, Natches, Mississ-

ippi, for a copy of HAYS-MCKEMIE NOTES of March 24, 1956. This material will be bound and placed in the Memphis Public Library.

The WILLS FAMILY RECORD and a brief record of 13 associated families, all native to Johnson County, Tennessee, may be bought from the compiler: Mr. Carl B. Neal, 3324 Hoadly Road, Olympia, Washington. Price \$8.50 per copy post paid. Associated families: Brown, Cole, Grant, Greer, Johnson, McEwen, McQuown, Murphy, Orr, Shoun, Stout, Weitzel-Wagner, and Wilson.

THE BRALY HISTORICAL SOCIETY is trying to work out the many problems of their family history and have made an appeal to the Clan of Pennsylvania, North Carolina, and Tennessee, whose descendants are all over the world, to help in assembling the needed material. Your Editor talked at length with Mrs. Lottie M. Braly of Ada, Oklahoma who had come to work in our local library in her quest for more records on this family. If you are a Braly descendant (John to America ca. 1753, to Penna., then down the water ways to North Carolina), please write Mrs. Braly for details about joining the Society.

WELCH-WELSH-WALSH, the official publication of the family association, is one of the most outstanding family publications to come across our desk. Mrs. Clifton Wolfe, retiring Editor, has done a wonderful job. She will continue to receive mail, distribute family charts, and to write "Your Line" so address her at Rt. 14, Knoxville, Tennessee, if interested in belonging to this family association. The new publication will be edited by Mr. Carr P. Collins, Jr., P. O. Box 2580, Dallas, Texas.

POTPOURRI - genealogical tidbits gathered from here and there.

You never know where you will find the answer and this is certainly true according to a note from Miss Lucille Payne, Box 47, Olive Branch, Mississippi.

"Each time I have studied all the marriage records (Shelby County, Tennessee Marriage Bonds). My parents knew most of the older families in Whitehaven, Capleville and many in Memphis. I like to see familiar family names, then I can wonder what happened to the families I have not heard about. Thus I accidentally found the marriage of one of my great-great uncles under the medieval spelling 'Pagan' for Payne. I had wondered why this marriage was not recorded in DeSoto County records.

The marriage bond number is 32 - Pagan, Edwin A. to Martha J. Blocker, Jan. 18, 1848, Wm. A. Crutcher, Sec., B. S. Fant, M. G.

This old spelling must have been in the record, for that is one of the old spellings for Payne. The word 'pagan' meant unbaptized infant."

The Louisiana Genealogical and Historical Society announced that the Fourth Annual Genealogical Institute of the Society will be held at Louisiana State University, Friday and Saturday, January 20-21, 1961. Miss Pollyanna Creekmore, Genealogical Librarian at Lawson McGhee Library, Knoxville, Tennessee, will talk on genealogical records and research in Tennessee at the annual banquet on Friday night.

The material for getting your information ready for the 1961 edition of the Memphis Genealogical Society Year Book will be mailed with the April issue. You will be asked to list eight of your earliest known progenitors. Why not start now and have your information ready when you receive the forms?

Please pay special note to our many advertisers on the back page of our Quarterly. Please mention "Ansearchin'" when writing to any of them. Thanks!
