MEMPHIS NEWS AND NOTES:

We are happy to announce that Mrs. Howard H. Shumaker, one of our members, received the "Mature Woman Award" from the Memphis Chapter of the Altrusa Club.

Study groups were held May 18th at the home of Mrs. Thos. L. Robinson, and on June 15th at the home of Mrs. Scott Julian. These meetings were well attended and very profitable genealogically for several members. Virginia (Mrs. Berry B.) Brooks found three more Revolutionary ancestors. If you have not been attending these study groups, you are missing a wonderful opportunity. Our sincere thanks to our hostesses for their wonderful hospitality.

The LIBRARY COMMITTEE reminds all members that it is your privilege to suggest books for us to place in the Cossitt Reference Library. We will give first consideration to the type books which will be of most value to the most people. We have on order for October delivery ADVENTURES OF PURSE AND PERSON by Jester and Hixen, which gives the early history of some of Virginia's first families; carrying each family down three or four generations from the emigrant, with documentations. Our money is limited, therefore, we shall be happy to receive gifts of books and pamphlets from members and friends. These will be available for perusal at several regular meetings of the Society, where everyone will have access to them. Gifts may be sent through the president or the chairman of the Library Committee. Her address is: Mrs. L. B. Gardiner, Chairman, 1863 Cowden Avenue, Memphis 4, Tennessee.

We appreciate Mr. J. Kenneth Kerby, 1849 Central Ave., recording the talk given by Mr. Leonard W. Severson at our last meeting. Mr. Severson is branch president of the Memphis First Branch, Church of Jesus Christ of Latter-day Saints. Mr. Kirby gives the following brief report for those unable to attend:

"The Genealogical Society of the Church of the Latter-day Saints was organized in 1894 in Salt Lake City, Utah. Their library, as of January 1963, contained almost 70,000 volumes, the majority of which are locality records, family histories or genealogies. They have 325,000 rolls of microfilm, which include records from all of the fifty states of the U. S. and 18 foreign countries. These records are preserved in especially constructed caves where the temperature never varies more than 10 degrees. Their library is open to the public every day from 8 a.m. til 5 p.m., except Sunday. A family survey will be made upon request for \$10.00 for all areas except Switzerland, which is \$15.00. A check or money order must accompany the request. Address your request to: Records Office, The Genealogical Society, 107 South Main St., Salt Lake City, Utah. Information required: A pedigree chart showing the line or lines to be surveyed (not more than three lines), state specifically which lines to be surveyed, if several generations extend beyond lines 4, 5, 6, and 7, state relationship to person requesting the survey, if any. Remember the researcher has no way of determining how much or how little information the patron has already, unless the patron tells them, so send all information possible."

Happy Ansearchin'

OVER THE EDITOR'S DESK:

Don't forget your notebook and pencil when vacation time rolls around this year. Many records (cemetery, Bible, etc.) are disappearing so rapidly that haste in gathering these essential facts are of the utmost importance.

Both your president and editor spent two days attending classes at the third annual Willo Institute of Genealogy, held June 8-13, under the auspices of Howard College, Birmingham, Alabama. We thoroughly enjoyed the lectures given by Dr. Jean Stephenson, Director of the Genealogical Institute at the American University, and Milton Rubicam, President of the American Society of Genealogist; working with other editors and genealogical society leaders; and renewing our acquaintance with Betty Wood Thomas, Director of the Willo Institute. Plans were formulated for the fourth annual Willo Institute to be held at Howard College in June 1965. Details will be given in a later edition.

DEMENT, DODGE, PATTERSON, WILLIAMS is the title of an attractive fifty-five page booklet of family data, gathered and preserved in printed form by Mary Louise Dement Rugg. The Dement line stems from David and Dorcas Willis Dement of Gallatin, Tennessee (1804). The Dodge family dates back to 1661, when a Tristram Dodge was one of fifteen settlers of Block Island, off the coast of Rhode Island. The Pattersons were from Ireland to Mass., and the connection to this family is through the marriage of Margaret Mitchell to Robert Patterson, son of James (1798). The Williams are descendants of Phineas Williams who came to Woodstock, Vermont in 1774 from Mansfield, Conn. This is a privately printed edition, and for additional information write Mrs. L. E. Rugg, 715 North Avalon, Memphis, Tennessee. We congratulate Mrs. Rugg, who is near 80 years of age, for the effort expended in getting her family data into print!

We appreciate the gift of two beautifully bound genealogies by the compiler, Kenneth C. Bullock. A GENEALOGY OF JAMES BULLOCK AND MARY HILL, LATTER DAY SAINT PIONEERS is the story of James Bullock, son of Thomas and Janet (Boal-Boyle) Bullock, born 16 November 1806, Scotland, married 28 March 1836, Mary Hill, daughter of Alexander and Elizabeth (Currie) Hill. The 319 pages of data, charts, and pictures are fully indexed (no price given). A GENEALOGY OF MCGEE HARRIS, LATTER DAY SAINT PIONEER traces the Harris family back to William De Heriz in Scotland (1160). It was in Wilson County, Tennessee, that McGee Harris, for whom this genealogy has been compiled, was born (1800), reared, and married (1st - Mary Givens, 2nd - Mary Ann Simmons). The 355 pages are fully indexed. Price: \$10.00 postpaid. Order from Dr. Kenneth C. Bullock, 1035 North 9th East, Provo, Utah, 84801.

POTPOURRI:

We were sorry to learn of the death of Dr. Frank Ross Stewart, president of Troy State College (Alabama), and Founder of the Alabama Genealogical Society, Inc.

William T. Alderson, Tennessee state librarian and archivist and chairman of the Tennessee Historical Commission, has been appointed director of the American Association for State and Local History. The association has also moved its headquarters from Madison, Wisconsin, to 132 Ninth Avenue, North, Nashville, Tennessee 37203.

CORRECTIONS: Mrs. Penn Montgomery (nee Martha Smith T) of Opelika, Alabama, writes, "I notice in the 1963 index to Ansearchin' that this man was indexed as Smith. He should have been indexed as Smith T. I know this sounds strange, but that was his name, and I feel sure that you would like to see it correctly printed." (See page 112-115, July 1963 issue.)

Douthitt Melugin McKay, San Antonio, Texas, writes, "Reference is made to Ansearchin' News, Vol. IX, No. 1, January 1962, page 66, Williamson County Tax List: quote, "William Malvgen?" May I answer the question mark? The "v" should have been a "u" -- the family name is properly spelled MELUGIN; however, on many early documents, recorders spelled the name a variety of ways including Malugen/Malugin/Mallugan. As one historian of the Melugin Clan, I am presently working on this particular man's line. I have evidence of his living in Davidson County, 1794 and 1798; Williamson County, 1805-1809; Hickman County, 1814-1834, land grants and deeds."

EAST TENNESSEE SURVEYS 1807-1813

Submitted by Mable H. Thornton (Mrs. Robert E.), Rockwood, Tennessee.

These abstracts are taken from the original surveys recorded in Record Book A which is filed in the office of the Register of Deeds, Roane County, Tennessee. The volume contains 828 surveys dating from August 24, 1807 to November 8, 1813 for the "Fourth Surveyor District." John McClellan was the Surveyor General for the Fourth District. Deputy Surveyors were Joshua Cox, John Hackett, Abraham McClellan, William McClellan, Josiah Patty, John Purris, Jeffery Robinson, James Scott, Robert Tunnell, and Samuel Walker.

Each survey identifies the land surveyed as being in Anderson, Bledsoe, Campbell, Overton, Rhea, or Roane County, with two surveys describing land in Knox County. The present-day counties of Cumberland, Fentress, Loudon, Morgan, Pickett, Scott, Sequatchie, and Union were formed in part from those counties.

These abstracts are arranged by county and name of owner. Data includes Survey Number and date, Entry Number and date (if given), the date of recording, the date the plat was lifted or delivered, and the number of acres. The description of the location of the land has been limited to landmarks and names of individuals mentioned in the original surveys. The names of the "Sworn Chain Carriers" have been included since it can be shown that frequently the carriers were neighbors or relatives of the owner.

It should be noted that these abstracts do not include the recitations tracing the assignment of the certificate on which the survey was based. The lengthy and somewhat repetitious nature of this material prohibits its inclusion here although many of the names of the assignees are not mentioned otherwise.

Editor's Note: See page 120 for news concerning the new TENNESSEE HOMESTEADERS AND LANDOWNERS by Willis Hutcherson.

The above pen and ink sketch (done by the Rev. David Campbell, minister of the Presbyterian Church, Rockwood, Tennessee) appears on the cover of the new TENNESSEE HOMESTEADERS AND LANDOWNERS - Fourth Surveyors District: Anderson, Bledsoe, Campbell, Overton, Rhea, and Roane Counties, compiled by Willis Hutcherson. This volume is a perfect complement to the work done herein for ANSEARCHIN' NEWS by Mable H. Thornton. Mrs. Hutcherson has abstracted the Survey Book 1808-1810 and Entry Book 1814-1815, placing the names of the homesteaders in alphabetical order by county, and indexing the chain carriers and others mentioned. Her work does not duplicate any material used in the above article. Mrs. Hutcherson has included in her book the Matthew Rhea Map of 1832, and in her introduction she gives a resume of the acts as taken from "Land Laws of Tennessee," compiled and edited in 1891 by Henry D. Whitney of the Chattanooga Bar. Copies of TENNESSEE HOMESTEADERS AND LANDOWNERS may be ordered from Mrs. Ernest Hutcherson, P. O. Box 154, Rockwood, Tennessee 37854. The price per copy is \$5.50.

PETITIONERS OF GREEN COUNTY, TENNESSEE, ASKING FOR REDUCTION IN TAXES, ETC.
1809

Transcribed by Jewel B. Standefer (Mrs. E. M.)

To The Honourable the General Assembly of the State of Tennessee now sitting in Knoxville. We your humble Petitioners, Citizens of Green County of State afores'd with the Preference of Prospect beg leave to submit & lay before your Honourable body the Supreme power of this state, The grievances which we labour under, and hope that you in your wisdom will take the several complaints under your wise consideration and supply each of them as you in your wisdom may deem right. We your Memorialists finding it Extreemly difficult from the present Embarrassment abroad, to procure money for a support of meeting the public demand: We hope that you in your wisdom will point out a way by which our Taxes may be reduced: Your Petitioners are astonished when taking a view of the Acts passed since the year 1804: Raising of salaries session after session till at length some of our officers of Government has double the salary they had when we first became a State: and --- what alarms your petitioners more, is we believe that in the period of time our number of Taxable Inhabitants of the state are double the number than what they were when we first became a State, and we are of the opinion that it would be right for you in your wisdom to repeal every Act passed since the year 1804, giving larger salaries to the officers of Government of every description: On the whole there are many of your petitioners that are scarcely able to procure the common necessaries of life, although called upon --- yearly: Your Memorialists further State that after turning(?) to the state land law and perusing it, we are of the opinion from the Expenses incur'd, & the dreadful effects it may produce in future upon those who have been Innocent purchasers from the State of North Carolina, when their Grants are found without vallid warrants annexed to them: We learn from the 37th section of sd law a preference of two years is given to all who have purchased such grants to procure a vallid warrant to secure their land perhaps a 2^d & 3^d times, but when we read in the latter part of sd section we come to a proviso as follows - viz) provided nothing therein shall be so construed as to prohibit any person having a good & vallid warrant from laying it on the land, where we your petitioners are living on, and have paid the State of North Carolina for it long since: And since have been your obedient subjects paying towards the support of Government yearly: And we your petitioners discover that the day of preference is Elapsed on the 3^d day of December next: Is it possible that we should become a prey to the desperate speculator Turned out of doors to rove at large: or spend all we have, at a Suit of law trying Cavate, when in fact according to the land law we have no right at all, or at least many of us expect we must purchase more warrants at six times the value of them: And many of your Men now are of the opinion that we have great reason to believe/when taking into view the Act of Congress granting unto the State of Tennessee power to make Titles on all Bonafide Claims/Congress has a reference precisely to the Session Act & Refers to it alone as a guide, but what has been the decision in Judging Claims, why truly we learn the claims which were long since declared Invallid by the Session Act are now judged to be good in the hands of the money'd men & speculators. Is it possible that we are to have no End to this dark & unknown measure. We therefore, hope that in as much as Congress in her Act in the 3^d section has promised to purchase land West & South of sd line to satisfy good & Bonafide Claims that you in your wisdom would pass a law to compel all warrants to be laid in a given time within the present limits: so as to have an end to sacrafising our best Interests, and by an Act of yours make good all grants obtained from the State of

North Carolina where a consideration has been paid & now in the hands of Innocent purchasers: And your petitioners further pray the replevening law to be continued as you in your wisdom may deem right, and your petitioners as in duty bound will ever pray.

TAYLOR AND HOUSE FAMILY NOTES

Copied from an old family Bible by Blanche Taylor Bowers, Box B, Kirby, Wyoming.

OBITUARY OF MRS. LYDIA A. TAYLOR: "On Tuesday, April 18th, at the family residence in this county (Massac County, Illinois), Lydia A. Taylor, wife of Thomas J. Taylor, age 39 years. It is but seldom that we are called upon to chronicle the death of anyone who strikes the tenderest sympathies of the heart more directly than that of the above estimable lady. True her demise was not unexpected; she has long been a sufferer but her associations have been the most pleasant and her home one where happiness reigned triumphant, save for the presence of the "fell destroyer" who entered and stole the precious jewel away. We extend our sincere condolence ... Lydia A. House, daughter of James H. and Lena House, was born in Tennessee, February 6th, 1839. Died April 18th, 1876 in Massac Co., Ill. Married first, Alexander Clinton Bradshaw; married second, Thomas Jefferson Taylor, born Stewart Co., Tenn., August 23, 1832. The deceased leaves two children, Frances Bradshaw and Thomas Jefferson Taylor of the family home. Burial was at Pell cemetery."

OBITUARY OF THOMAS JEFFERSON TAYLOR: "T. J. Taylor, a familiar figure in Wynne (Arkansas), died at the home of his daughter, Mrs. W. K. Baker Monday morning at 7:30 o'clock June 11, 1906. He was born in Stewart Co., Tenn., August 23, 1832. Mr. Taylor was one of the river men on the Mississippi during the early days when "Mark Twain" plied his trade and through the stirring times of the Civil War. He was pilot on a freighter from 1849 to 1878. In the latter years he was elected sheriff of Massac Co., Ill., which office he held four years and in which he lost a fortune. In 1894 at Bald Knob, Ark. the ex-sheriff was run down by a train and both feet were cut off rendering him almost helpless for the rest of his life. The deceased leaves four children: Mrs. W. K. Baker of this city, T. J. Taylor of Longview, Texas, Mrs. Josephine Spaulding of Paducah Ky., Charles Newton Taylor, Brookport, Ill. The remains were interred at the Cogbill cemetery here Tuesday."

BOHEME BIBLE RECORDS

Copied and submitted by K. Vera Turner (Mrs. W. W.), Salinas, California.

The following records are from an old Bible purchased by a friend about a year ago from an aged gentleman who had attended an auction of unclaimed articles in San Francisco several years back. He bid on an unopened box on the pier of Frisco's great water front or from a warehouse. In the box was a considerable amount of cloth and under all of this was the Bible.
