All material for publication is subject to editing to conserve space. Every effort will be made to publish accurate material; however, neither THE TENNESSEE GENEALOGICAL SOCIETY, "ANSEARCHIN'" NEWS, nor the Editor can assume responsibilities for errors on the part of contributors. Corrections of proven errors will be published. Publishable and unpublishable contributions are put on file in our library for the use of our members. OVER THE EDITOR'S DESK

We have received a letter with an item which deserves your immediate attention. The Alabama Genealogical Society will hold a one-day seminar 3 Oct 1981 at Holiday Inn-Medical Center, Birmingham, AL. Mr. H. William Helmbold, speaker for the day, will cover topics of interest to beginning, experienced, and professional genealogists. For information, contact the Society, 1465 Panorama Dr., Birmingham, AL 35216.

Don Vincent, 936 No. Skyline Dr., Tacoma, WA 98406, has sent us news of a book now in the making. Besides writing a genealogical column for the Pulaski County Democrat, a newspaper in Waynesville, MO, Don is working to replace early records of Pulaski County, which were destroyed by fire in 1903. Facts collected on all residents at the time of the county's first census in 1840 form the basis of the book, but more data are needed to make the history as complete as possible; therefore, he requests our help. Many of the early settlers in Pulaski came from Tennessee counties, especially the Rhea-McMinn-Roane-Blount-Monroe area. Large numbers came from North Carolina, Kentucky and Virginia, but most states in the south and mid-west were also represented. If you have lost an ancestor in Missouri about 1840, you may find him in the Pulaski County 1840 Index, which you may purchase by sending \$5.00 to Don at the above address. We wish him well with his project!

In our last issue we outlined some of the history and current operation of the Tennessee Genealogical Society. Now, we list for you the services of this society:

Library - The most utilized of our services, but, obviously, one that is limited to subscribers who live fairly close to Memphis. However, we welcome all who might be passing through town to visit...if you come when we're open:

Thursdays - 11:00 a.m. to 3:00 p.m. from January to Thanksgiving
2nd & 4th Mondays - 6:00 p.m. to 9:00 p.m. January to Thanksgiving

Master Surname Index - Service to subscribers everywhere. This file consists of 3x5 index cards sent in by subscribers within the last five years. Each card contains the name of one person and all statistics known about him, and the name and address of the subscriber. You may add your cards to the file by following the format given on page 140 of this issue. If you send your request and a long envelope, stamped and self-addressed, our Surname Index Secretary will send you the names and addresses of others working on that line along with any data found in the file on your ancestor.

Family Five-Generation Chart - Service offered to all subscribers. These are charts filled in by subscribers, which are indexed, filed in book form, and placed in our library for perusal by all who visit us. The advantage for distant subscribers is having your name, address and area of search available to other searchers.

Free Query - One 50-word query per year in the free query section of this magazine. (Because of the large number of queries received, we must limit each subscriber to one per year.) Send your query on a separate, full-sized sheet of paper PLEASE, and be sure to put your name and address on that sheet also.

Table of Contents - We offer a printed Table of Contents which gives a resume of material printed in all our back issues. Current price \$1.00.

BOOK REVIEWS

By Herman L. Bogan, Evelyn D. Sigler, Eleanor W. Griffin

PASSENGER AND IMMIGRATION LISTS INDEX, compiled by P. William Filby with Mary K. Meyer. 1981. Hard Back. 2339 pp. Order from GALE RESEARCH CO., Book Tower, Detroit, Michigan 48226. Three Volume Set. \$225.00.

Over 480,000 names of immigrants, taken from 330 published sources, such as books, WPA records, genealogical and historical quarterlies, histories, bulletins, ship passenger lists and naturalization records are included in these three volumes with names arranged alphabetically, three columns to a page. This work has an additional 26 pages of source material and instructions.

These people from various countries migrated to North America (including Canada) and the West Indies during the 17th, 18th and 19th centuries. Each listing consists of full name of the immigrant, age when known, port of entry, year of arrival and the source and page from which it has been taken. Members of a family are grouped together, and where a wife's maiden name is given, she is listed under that name as well as her married name. You may find your ancestor in more than one place if he is listed in more than one book.

Lists include freemen, indentured servants, Jews, planters, prisoners, Palatine immigrants, convicts, rebels, recruits, protestants, persons of quality, religious exiles, Quakers, apprentices, children stolen, maidens pressed, serving men sold for a term of years, etc: persons from all walks of life. Sources of this compilation often give the country from which they emigrated.

It is much easier to search these volumes than the many passenger lists previously printed. Genealogists will find them invaluable and libraries will find them well used.

TENNESSEE GENEALOGICAL RESEARCH by George K. Schweitzer, Ph. D. 1981. Soft Back. 123 pp. Order from the author, 7914 Gleason, C-1136, Knoxville, TN 37919. \$8.00. Tennessee residents add tax.

This 8½ x 7 inch book contains more concrete instruction on Tennessee than many a tome of verbosity. The publication has four divisions: TENNESSEE BACKGROUND, (history & geography, etc.); TYPES OF RECORDS, (a discussion of 31 categories to search); RECORD LOCATION, (the places to search); and COUNTY LISTINGS, (alphabetical list of counties & their available records). There are maps illustrating the geography, rivers, early settlements and roads, and individual counties. Also included are lists of publications on the various categories-i.e., biographies, census indexes, church records, genealogical compilations, current periodicals, etc. This is an excellent text book for beginners in genealogy and a concise check list for veterans in the field.

MARRIAGE RECORDS FULTON COUNTY, KENTUCKY, January 1861 to April 1870. Published by Fulton Genealogical Society. 1980. Soft Back. 70 pp. Indexed. Order from the publisher, P.O. Box 31, Fulton, KY 42041. \$6.00.

This is the third volume in a series of marriage records, the first being Marriage Records of Hickman County, Kentucky 1822-1845 from which county Fulton was formed, and the second being Marriage Records, Fulton County, Kentucky 1845-1861. This volume is unique in that it contains more information on the bride and groom than is available in the first records. Besides the names of bride and groom, the date and surety, each document provides space for the residence, age, number of marriage, birthplace and parents' birthplace for both parties, occupation of the groom and place of marriage. Consents are given when available, as well as other genealogical information.

BIOGRAPHICAL CYCLOPEDIA OF THE COMMONWEALTH OF KENTUCKY. Published by the John Gre-sham Co., Chicago-Philadelphia. 1896. Reprint with new material copyrighted 1980. Hard back. 667 pp. Indexed. Order from Southern Historical Press, P.O. Box 738, Easley, SC 29640. \$40.00.

Kentucky furnished many men who rose to prominence within her boundaries, and also within surrounding states. This volume includes over 1100 sketches of the people who made Kentucky--early pioneers and their successors up to the twentieth century. The writers went directly to the people to get their story, and many of the names given here were not included in similar earlier editions. The 10,000 name index (new material added to this printing) will be welcomed by researchers.

TO HOPE, TO LABOR, AND SO TO LIVE - Descendants of John Mack (1740-1814) With Some Allied Families by Mary P. Engels. 1980. Hard back. 179 pp. Indexed. Order from the author, 1024 Hicky, Forrest City, AR 72335. \$21.00. AR res. add tax.

Although the larger portion of this book deals with John Mack (1740-1814), the first part gives lineage of his wife, a son's wife and a grandson's wife. These allied lines are Burnett, Wilson, and Hudson-Reese-Brevard-McNitt. John Mack, born 1740 in Scotland, immigrated to Maryland and resided at different times in Somerset, Cecil and Baltimore counties. In 1766 he married Sarah Burnett in Prince Edward Co., VA. They moved to Pittsylvania Co., VA in 1772 where records show he purchased land and was paid for service in the Rev. War. Later records place him and his sons in Davidson and Maury counties, TN. He and Sarah are buried in the family cemetery near McCains, TN. Descendants are found in several counties of TN, AR, MO and TX. Sixty-four pages of family group sheets complete the book.

GENEALOGICAL & LOCAL HISTORY BOOKS IN PRINT by Nettie Schreiner-Yantis. 1981. Soft back. 1000 pp. Indexed. Genealogical Books in Print, 6818 Lois Dr., Springfield, VA 22150. \$15.00.

Termed by someone as a "wish book" for genealogists, this is truly a fine publication. It consists of a listing of works on all areas of research, including states, counties, and family genealogies. The price and vendor's address are included for every book listed, as well as the name of at least one professional researcher with area of search indicated. A section on maps, atlases, and gazetteers is very helpful, as is ordering information for census forms and family sheets on which to record your data. Mrs. Schreiner-Yantis has used her vast experience to compile an essential tool for the serious genealogists. It belongs in everyone's personal library.

PERSONAL NAME INDEX TO THE 1856 CITY DIRECTORIES OF IOWA by Elsie L. Sopp. 1980. Hard back. 154 pp. Alphabetical. Order from Gale Research Company, Book Tower, Detroit, Michigan 48226. \$30.00.

This volume 13 in the Gale Genealogy and Local History Series was prepared to provide genealogists and historians with a statewide index for Iowa. It was felt that an index was needed for the period of the 1850's following the 1850 federal census schedule. The names listed are from the mid-1850 city directories of seven counties in Iowa and three cities in Illinois. Many Westerners find that their ancestors settled, rested, or traveled through Iowa's rolling hills in their westward migration.

MARRIAGE AND DEATH NOTICES, Marion County, Texas and Environs 1853-1927 by Juanita Davis Cawthon. 1980. Soft back. 160 pp. Indexed. Order from the author, 844 Acklen St., Shreveport, LA 71104. \$16.50.

Marion County, Texas was formed from Cass County in 1860 so that much information found in this book is from both counties. The material is extracted primarily from Jefferson, TX newspapers, but notices from nearby areas which could be of interest to local people are included. Other newspapers used are The Texas Republican and Tri Weekly Herald of Marshall, Texas; The Southwestern, Shreveport, LA; The New Orleans Christian Advocate and the Texas Christian Advocate. Frequent reference has been made to Cemetery Records of Marion County, Texas, compiled by Martha McCraw Chapter DAR and that information is inserted in the proper place. The first twenty pages carry 19th century dates and next 105 pages dated since 1900.

ABBEVILLE DISTRICT, SOUTH CAROLINA MARRIAGES, 1777-1852. Editor: The Rev. S. Emmett Lucas, Jr. 1979. Soft back. 69 pp. Order from The Southern Historical Press, P.O. Box 738, Easley, SC 29640. \$12.50.

No marriages were recorded in South Carolina until after 1900 therefore, marriage records must be ferreted from other sources. These records were taken from Old Abbeville Court House records and purport to be the closest thing to known marriages that exist for people listed in the Old 96 and Abbeville legal records for the period 1777 to 1852. The names are taken from such things as wills, equity records, deeds, etc. The "key" to finding out more data about the parties concerned is the book Abstracts of old 96 and Abbeville District, S.C. by Pauline Young. The publisher has tried to clear up many "confused areas" in this publication of the records as originally compiled. He hopes the list of marriages will provide a start for further search of old records.

MATHENY GENEALOGY by Dolores E. Matheny Gucciardo. 1980. Soft back. 192 pp. Indexed. Order from author, #14 Point South Court, Little Rock, AR 72211. \$25.00 p.p.

The Matheny family immigrated to the American colonies from France and subsequently spread out over many states. The first immigrant to the American colonies was Daniel Mathenia I, ca 1638-1689, who married Sarah Wentworth in 1648. In so far as known all the Mathenys are descended from Daniel & Sarah. Along with tracing her roots the author has interspersed personal anecdotes about various members of the family. Also included is a section on the Grinsley family and a separate index for the Matheny family. This is another concise compilation which is an asset to any family lineage collection.

MARRIAGES OF RUTHERFORD COUNTY, TENNESSEE, 1804-1872. Compiled by Edythe Rucker Whitley. 1981. Hard back. 352 pp. Indexed. Order from Genealogical Publishing Co., Inc., 111 Water St., Baltimore, MD 21202. \$22.50.

Rutherford County was erected in 1803 from Davidson Co. and one time extended south to the Alabama state line. Although a few deed books were destroyed during the Civil War, the country has an almost complete county record intact. The marriage records are extensive and contain approximately 11,000 marriages. Each entry contains the names of the bride and groom, date of issue, marriage bond or license and sometimes the name of the bondsman. Nearly 25,000 names are found in the index.

Book Reviews (continued)

LOYALISTS IN THE SOUTHERN CAMPAIGN OF THE REVOLUTIONARY WAR, VOL. I, by Murtie June Clark. 1981. Hard back. 635 pp. Indexed. Order from Genealogical Publishing Co., Inc., 111 Water St., Baltimore, MD 21202. \$30.00.

This book contains official rolls of loyalists recruited from North and South Carolina, Georgia, Florida, Mississippi, and Louisiana. The rolls were obtained from various archives, libraries, and private collections which document the service of approximately 15,000 loyalists. The information on each person varies. In the case of the military, the men are listed by rank, with dates and places of service, company, regiment, and brigade, active duty, missing, deserted, killed, died, or sick. Other information given is petitions for back pay, widows and orphans claims, names of refugees, lists which contain much useful information. This is claimed to be the best and most ambitious work of its kind yet produced.

A COLLECTION OF UPPER SOUTH CAROLINA GENEALOGICAL AND FAMILY RECORDS, VOL. I. Edited by James W. Wooley. 1979. Hard back. 405 pp. Indexed. Order from The Southern Historical Press, P.O. Box 738, Easley, SC 29640. \$30.00.

This is the first volume in a proposed series on Upper South Carolina genealogical and family records which were taken from vast files of the late Pauline Young of Liberty, SC. These records were given to the Rev. S. Emmett Lucas, Jr. in 1968, and have been prepared for publication by Mr. Wooley. This volume contains a variety of abstracted documents on a varying number of persons of the same surname; for instance there are 13 entries for Chapman and 1 for Carroll. Chapman entries include guardian and probate records, wills, distribution of estates, a deed and many explanations of family connections. The Carroll entry is a naturalization paper of Daniel Carroll in 1844.

MARRIAGES OF DAVIDSON COUNTY, TENNESSEE, 1789-1847 by Edythe Rucker Whitley. 1981. Hard back. 277 pp. Indexed. Order from Genealogical Publishing Co., Inc., 111 Water St., Baltimore, MD 21202. \$20.00.

Davidson County, created in 1783, originally included most of the territory west of the Cumberland Mountains now making up Middle Tennessee. It is an area once heavily traveled as a route of migration. All of the early marriage bonds and licenses were destroyed by fire but the registers are intact, and the records published here have been transcribed from these. There are 7,000 marriages included in this volume. The marriages are arranged in order of their appearance in the original registers; one of the early marriages of historical interest is that of Andrew Jackson to Rachel Donelson, 17 Jan 1794.

THEY CAME TO TEXAS compiled by Maurice Bradford Ballard. 1980. Hard back. 678 pp. Order from author, 203 Graham, Kenedy, TX 78119. \$34.50.

They Came to Texas is the family history and genealogy of Cecil Raymond Ballard and Maurice Bradford Ballard extending from 1734 to 1975. Included are pioneer families of Bradford, Roberts, Shive, Park, Robinson, Everett, Averett, Campbell, Mayberry, Marlin and Turner. There are many old photographs and personal stories which this reviewer always finds fascinating. Also included are lineage charts and family cemeteries. This large, clothbound book is well-written and easy to read and will be welcomed as a keepsake by all persons connected to the family.

Book Reviews (continued)

RANDOLPH COUNTY, NORTH CAROLINA DEED ABSTRACTS. BOOKS 1 thru 5, 1779-1794, Vol. 1 by Barbara Newson Grigg. 1981. Soft back. 108 pp. Indexed. Order from the author, Rt. 2, Box 458, Asheboro, NC 27203. \$15.00.

Randolph Co., NC was erected in 1779 from the southern part of Guilford Co. which in turn was formed in 1771 from Orange Co. on the east and Rowan Co. on the west. The Revolutionary War, fire, and vermin have taken a heavy toll of records of the first two years, but the Court Minutes for this period have survived. The 24 deeds recorded there have been abstracted and form the first two pages of this book. The third page begins with Bk 1, page 1 and records a State Grant to Wm. Cole on 19 Nov 1799. As was often the case in early times, many deeds were registered late and the second entry is dated 29 Mar 1780, 300A granted to David Alexander. Many entries of the 1780's follow, and there is at least one dated 17 Nov 1760, Jacob Evans to Jeffery Beck. This book is a gem for 18th century research in central NC.

MARRIAGES OF ROBERTSON COUNTY, TENNESSEE 1839-1861 by Edythe Rucker Whitley. 1981. Hard back. 135 pp. Indexed. Order from Genealogical Publishing Co., 111 Water St., Baltimore, MD 21202. \$15.00.

Robertson County, on the western flank of Sumner County, was made from old Tennessee County in 1796, the year that Tennessee became a state. The early marriage records of Robertson Co. have not survived, neither in the form of a register nor as unrecorded bonds, and the earliest extant records begin in 1839. The object of this book is to preserve marriage records that have survived within this time frame. The marriages are arranged in chronological order under the surname of the groom. All names are included in the index.

MARRIAGES OF SUMNER COUNTY, TENNESSEE, 1787-1838. Compiled by Edythe Rucker Whitley. 1981. Hard back. 150 pp. Indexed. Order from Genealogical Publishing Co., Inc., 111 Water St., Baltimore, MD 21202. \$15.00.

Sumner County was erected in 1786 when Tennessee was still a part of North Carolina. The county was an important **crossroads** for migration from east to west and from KY southward. The author states in her preface, "For some unknown reason the Clerk of Sumner County did not record the early marriages in a book or ledger, as was the custom. The marriages listed here derive instead from original marriage bonds and unrecorded licenses found amongst loose papers in the courthouse in Gallatin. Some original bonds had been lost or were taken from the courthouse before I made my original transcriptions in 1937." This is one of several new publications by Mrs. Whitley which contain marriage information from middle Tennessee counties.

CAMPBELL COUNTY, GEORGIA MARRIAGE BOOK A 1829-1842 by Nancy Jones Cornell. 1980. Soft back. 64 pp. Indexed. Order from Joel Dixon Wells, Rt. 2, Box 895, Hampton, GA 30228. \$5.00.

Campbell County was created in 1828 from parts of Carroll, Coweta, DeKalb and Fayette counties. Marriage Book A contains the earliest marriage records of the county--1829-1842. There are 324 abstracted marriages. The original index to Book A has been included even though many names were left out. Three new indexes are included, one each for brides, grooms, and those who performed the marriages. Everyone looks forward to researching hitherto unpublished materials.

Book Reviews (continued)

MARRIAGES OF MECKLENBURG COUNTY, NORTH CAROLINA, 1783-1868. *Compiled by Brent H. Holcomb. 1981. Hard back. 284 pp. Indexed. Order from Genealogical Publishing Co., Inc., 111 Water St., Baltimore, MD 21202. \$20.00.*

Although Mecklenburg County was formed in 1763 from Anson County, the earliest surviving bond is dated 1783. The marriage bonds themselves are on file at the North Carolina Archives in Raleigh. The abstracts in this book were made from micro-film copies of both the bonds and the register kept from 1851-1867 by the Register of Deeds in Mecklenburg County. The information is alphabetically arranged by the groom's surname and gives the name of the bride, date of marriage bond, names of ministers, witnesses, and bondsmen who are often related to the groom or bride. Approximately 5,000 marriage records are abstracted. Approximately 15,000 names are accounted for.

WAKE COUNTY, NORTH CAROLINA COUNTY COURT MINUTES 1793 THRU 1796 BOOK III by Weynette Parks Haun. 1980. Soft back. 166 pp. Indexed. Order from author, 243 Argonne Dr., Durham, NC 27704. \$17.50. (NC res. add tax.)

Wake was formed in 1771 from Cumberland, Johnston and Orange counties and has as its county seat Raleigh. These records were transcribed from microfilm of the original records. Each page of the original manuscript has been assigned a number which is underscored. The numbers appearing by some of the underscored numbers are the page numbers as they appeared in the original records. Court minutes are always a valuable source of information and to have them indexed is indeed a bonus. Surnames are capitalized which makes it easy to find your person on the indicated page.

THE THURMANS, A WEST KENTUCKY PIONEER FAMILY, 1815-1980 by John O. Braswell. 1980. Soft back. 158 pp. Order from author, P.O. Box 292, Kennett, MO 63857. \$20.00.

The author grew up in Calloway County, Kentucky but left there at the age of 22. Forty three years later he returned to visit kin and the idea of a Thurman Family Reunion was born. This event sparked interest in a family tree and the book began to take shape. The family is traced from Halifax County, VA in 1815 through Robertson County, TN in 1841 and then to Calloway County, KY by 1856, but the author concedes "We have concentrated on the known facts of the present...rather than of the past." He solicits the aid of all who would like to add facts and further research. We are treated to family charts, stories and pictures, and reprints of newspaper notices.

COSBY FAMILY RECORDS, VOL I by Don Simmons. 1981. Soft back. 72 pp. Indexed. Order from author, Route 1, Melber, KY 42069. \$4.00.

This book is a pot pourri of data gathered by the author and others on the Cosbys in the Southern states. Forthcoming will be another volume on Cosbys in other states and possibly a third volume on the western movement. Disproved is the assumption that only one immigrant started the Cosby line in America, as several early immigrants have surfaced, two of them before 1700. This collection of facts is taken from tax lists of the late 1700's and early 1800's, wills and administrations, censuses, other publications, bible records and military records. Many different family groups are outlined. This is a gold mine for anyone with a Cosby line. The author welcomes additional information.

CORRECTION: 1860 Federal Census Wayne County, Mississippi should be ordered from Gwen Platt, 314 DOOLEY Rd., North Little Rock, AR 72116.

1830 NEILL LETTER - Contributed by Mrs. C. L. Neill, Box 103, Pharr, TX 78577.

Can anyone help Mrs. Neill in identifying the ALEXANDER AND SALLY NEILL, authors of this letter dated 14 Aug 1830? It is addressed to William Neill, Lincoln Co., Sherrillsville Office, North Carolina. It probably came from Hardin, Henderson, McNairy or Hardeman Counties, Tenn. and it is thought the author is a descendant of Andrew Neill who was in Rowan Co., NC c1752 and died in Iredell Co. c1810. An Alexander Neill and Evan SHOEMAKER were in the 1830 McNairy Co. Census. Mrs. Neill would like to know of any NEILL-CAVIN connection.

The letter reported to "Dear Sister and Friends" that they and their families were all well, the settlement healthy, crops good except the late sowed wheat, "forred" was good, that he had a good stock of horses but was unlucky on cows. Sally IRVIN would have enough corn for this year and enough hogs to furnish meat. It reported Shoemaker and Sally Irwins were well but that Shoemaker had not received a reply to his letter written in March. On 19 May 1830 Limey Irvin married a man named NORRIS, a tanner by trade who lived in "Bollouiver, Hardymon County" (Bolivar). Thoman KERR was living in Savanna (sic). Noble was living with James Neill; Alexander was living where he was when William and Allison were here. Rosey was getting very fat and Peggy would probably continue living there. Compliments were sent to John Neill, Robert and Thomas ALLISON and their families, "coz. Gilbreth Neill and Matty", John Cavin, Rabella Cavin, Samuel and Robert Cavin, and their families.

THE MASTER SURNAME INDEX

The MASTER SURNAME INDEX contains thousands of cards representing individuals found in the family trees of our subscribers. Our file is not restricted to any particular locality, but covers families who lived in various European countries and in every state of the United States.

Subscribers may request information from this file by writing to the Tennessee Genealogical Society, P. O. Box 12124, Memphis, TN 38112. They will receive information from four (4) surname cards and names & addresses of those working on the same surname. Please send a SELF-ADDRESSED, STAMPED ENVELOPE, and limit requests to one each three (3) weeks as this has proved to be a popular service and an effort is being made to expedite your replies.

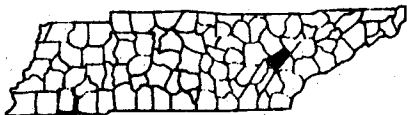

WE DO NOT DO FAMILY RESEARCH. ONLY MEMBERS AND SUBSCRIBERS MAY USE THIS SERVICE.

You can help make this file more effective by sending us a 3x5 inch file card (no other size will fit our files!) for EACH member of your family tree to be added to this Master Index. Cards should be typed or printed very plainly.

Please give the data listed on the sample card below in preparing your cards. Children should be listed on the back. Each card should contain at least one date and one place, even if they are estimated or guessed. This will enable us to determine that a person who lived in one area in the 17th century is a different person from one (with the same name) who lived in another area in the 19th century. Please keep your address current with the Surname Index secretary; the index is revised every five years and if you have not written in that time, your surname cards are transferred to another file for use in the genealogical library.
