OVER THE EDITOR'S DESK

This issue of the Tennessee Genealogical Magazine, "Ansearchin" News, comes to you not only complete, but larger, and (we hope) on time. However, this was not accomplished without extra effort, and grief, on the part of our staff.

The entire staff expresses sympathy to the families of Floyd E. Culbreath and Charles H. Massey who labored with our volunteer mail-out crew. Mr. Culbreath died 15 July 1982 and Mr. Massey died 24 July 1982. We are grateful for the time and effort they gave to us and for the opportunity of working with two fine gentlemen.

Our former Managing Editor, benefactor, advisor and friend, Eleanor Barham, has moved with her husband to Florida. Her enthusiasm and positive reactions have guided us for a number of years, and we shall miss her sorely. Thank you, Eleanor, for all your hours of reading film, proof-reading, battling post office regulations, confronting printers, moving offices and even receiving deliveries.

Our new Managing Editor is already hard at work. He is Bill Holstun, retired C.P.A., who is very capably handling our business, financial and legal affairs. His expertise in these areas will surely benefit the whole organization.

And, speaking of the organization, every member within reach of Memphis will surely want to attend the SOUTH CAROLINA SEMINAR, sponsored by the Tennessee Genealogical Society, on October 9, 1982. The speaker will be Brent H. Holcomb, CALS, Editor of The South Carolina Magazine of Ancestral Research, and author and compiler of many South Carolina books. Meet us at the Executive Plaza Inn, 1471 East Brooks Rd, Memphis.

By the time you receive this issue, you may have already missed the CLEMENT REUNION, which is planned for 26 Sept 1982 at Hollow Rock, TN. However, if you are connected to the Clement family, you should write Katie McMurray, 4409 Paul Ave., Tampa, FL 33611 for information on future gatherings.

The Ozarks Genealogical Society has an interesting event coming up. Their second annual fall workshop - PATRIOT FOOTPRINTS, AMERICAN MILITARY RECORDS - will be held October 30, 1982 at the Sheraton Inn, 3333 S. Glenstone, Springfield, MO. For further information write Darlene Keith, P.O. Box 3494 GS, Springfield, MO 65808.

MARRIAGE AND DEATH NOTICES FROM ALABAMA NEWSPAPERS AND FAMILY RECORDS 1819-1890 compiled by Helen S. Foley. 1981. Hard back. 200 pp. Full name index. Order from Southern Historical Press, P.O. Box 738, Easley, SC 29640. \$22.50.

Mrs. Foley adds to her numerous other Alabama volumes on Barbour County a new book of marriage and death notices from many different newspapers in the central and eastern section of Alabama. These records cover from 1819 to 1890 with no series of newspapers being copied in its entirety. Much valuable genealogical information is to be gleaned from this new book of source material. Some of the papers from which this material is taken are: Montgomery Republican, Mobile Commercial Register, The Eufaula Democrat, The Spirit of the South, Independent American, Eufaula Express, The Bluff City Times, The Henry County Register, The Clayton Banner, Eufaula Tri-Weekly News, The Clayton Courier, Eufaula Weekly Times and four more related Eufaula papers.

35,000 TENNESSEE MARRIAGE RECORDS AND BONDS 1783-1870 compiled by The Rev. Silas Emmett Lucas, Jr. and Mrs. Ella Lee Sheffield. Hard back-3 volume set. Full name index. Order from Southern Historical Press, P.O. Box 738, Easley, SC 29640. \$135.00 for the set.

This set of books should be considered a necessity for every genealogical library, particularly for persons researching in the mid-America area. These marriage bonds are taken from the card file at the Tennessee State Library and Archives in Nashville and, until their publication by Southern Historical Press, have not been available elsewhere. Most of the counties in East & Middle Tennessee are represented, and the dates cover almost a century from pre-statehood days. The books contain the date the marriage bond was issued, the name of the bride and groom, the security and county in which bond was issued (which was generally the county of residence of either the bride or groom, or both). These records provide many persons with a starting place for their Tennessee family roots.

MARRIAGES OF MAURY COUNTY, TENNESSEE 1808-1852 compiled by Edythe Rucker Whitley. 1982. Hard back. 245 pp. Full name index. Order from Genealogical Publishing Co., Inc., 111 Water St., Baltimore, MD 21202. \$20.00.

The records in this work, dating from the founding of the county, are based on registers kept by the County Clerk. They are supplemented by some 1,250 recently discovered marriage bonds. Arranged in several sections, some chronological, some alphabetical, the records give the names of the bride and groom, the date of issue of the marriage bond or license, the date of marriage, and sometimes the name of the person who stood surety to the bond. Some 6,000 marriages are found in this work, and the names of all persons mentioned appear in the index.

MARRIAGES OF WILLIAMSON COUNTY, TENNESSEE 1804-1850 compiled by Edythe Rucker Whitley. 1982. Hard back. 257 pp. Indexed. Order from Genealogical Publishing Co., 111 Water St., Baltimore, MD 21202. \$20.00.

Since the existing record sources (bonds, licenses, and registers) do not individually contain evidence of all the marriages authorized in Williamson County, Mrs. Whitley has combined the several sources to obtain as nearly as possible a complete listing of early marriages. This compilation contains abstracts of the records of approximately 6,000 marriages, giving the name of the bride and groom, the date of the license or bond, and the names of bondsmen and witness. Excepting grooms, who are listed in alphabetical order in the text, the index contains the name of everyone mentioned in the entries - about 10,000 brides, bondsmen and witnesses. Williamson included what later became all or part of Maury, Lawrence, Lewis, Marshall and Giles Counties.

FAMILY TIES, VOLUME I, BIBLE RECORDS, by Mrs. Polly C. Warren. 1981. Soft back. 245 pp. Indexed. Order from Mrs. Theron Bratton, Route #1, Box 76 J, Oxford, MS 38655 \$19.50

Lafayette County, Mississippi was formed from the 1836 Chickasaw Cession. Its county seat is Oxford, home of the University of Mississippi. Much of the early history of the northeast part of the state may be found in the court records of this county. In addition to many Bible Records, this publication contains some letters of the early settlers. These letters are a part of the collection of the Skipworth Historical and Genealogical Society, Inc. The society is to be complimented on its preservation of documents of historical value, and on its publication of material for all genealogists.

NATIONAL SOCIETY COLONIAL DAUGHTERS OF THE SEVENTEENTH CENTURY, INC. LINEAGE BOOK 1979 *Hard back. 265 pp. Indexed by ancestor. Order from Delila Baird, National Chairman, 909 E. Johnston St., Rotan, TX 79546. \$20.00.*

The National Society Colonial Daughters of the Seventeenth Century was organized in 1896 and is not to be confused with the Colonial Dames of the XVII Century. This book was printed in a limited edition (the ninth) and another will not be published for at least ten years. It is an aid for researchers of early colonial ancestry. It lists more than 2,000 names of original and supplemental ancestors of members of the society, including dates, services and places of residence 1607-1699. The documentation for the ancestors listed was carefully checked by the Registrar General, and any errors found in earlier listings were deleted from the 1979 edition. Also included are names of living descendant members with chapter affiliations.

MARRIAGES OF GRAINGER COUNTY, TENNESSEE 1796-1837 *compiled by Edythe Rucker Whitley. 1982. Hard back. 116 pp. Indexed. Order from Genealogical Publishing Co., 111 Water St., Baltimore, MD 21202. \$15.00.*

Grainger was made out of Hawkins and Knox in the year Tennessee became a state, 1796. The marriage records were recorded in a register for the first time by the WPA. This new book is an adaptation of that register. As far as is known, no other compiled record of the marriages was ever made, for the county clerk apparently did not record the returns of either bonds or licenses. In the time that has elapsed since the register was made, many original bonds and licenses have been lost. The WPA register is therefore the most complete record of Grainger County marriages available. References are made to some 6,000 persons.

AMBROSE MAULDING, ANCESTORS, DESCENDANTS AND KINSFOLK *by Paul Kornmeyer, Denzil R. Mauldin, Ruth Mauldin Adams and Flossie Gibbs Anderson (Rev. 1975-79). 1982. Soft back. 434 pp. Indexed. Order from Denzil R. Mauldin, Valdez, AK 99686. \$30.00.*

This book covers the known ancestors and descendants of Ambrose Mauldin (1755-1833) and some of his Mauldin kinsmen. Ambrose's grandfather, Captain Richard Mauldin, was a native of England and a King's soldier of that country. Richard came to Caroline County, Virginia and took up land in 1732. He married Kathy Tyler, a relative of President Tyler. Their son, James, had sons Morton, Wesley, Richard and Ambrose, and several daughters. James moved with his family to North Carolina and later Tennessee. James, Ambrose and Morton were among settlers who formed the first government around Nashville and Logan County, Kentucky. Ambrose moved to Hamilton County, Illinois in 1815. The Mauldings were a strong and prolific pioneer family.

MARRIAGE, DEATH AND LEGAL NOTICES FROM EARLY ALABAMA NEWSPAPERS, 1818-1893 *compiled by Pauline Jones Gandrud. 1981. Hard back. 618 pp. Full name index. Order from Southern Historical Press, P.O. Box 738, Easley, SC 29640. \$40.00.*

These newspaper notices are taken from the various volumes of the late Mrs. Gandrud's 245 volume series on Alabama. They have been in the process of being compiled and edited for over two years and are making a very significant contribution to Alabama research. Newspapers from many different periods of history are included. The papers from which notices were taken are the Huntsville papers, Limestone County newspapers, Northport, Tuscaloosa, Demopolis, Selma, Montgomery and other "Black Belt" county papers.

NEFF-WIREN, THE STORY OF OUR FAMILIES *compiled by The Rev. Dr. Robert Owen Neff, Jr. 1980. Hard back. 315 pp. Indexed. Order from the author, 2018 Ransom Dr., Murfreesboro, TN 37130. \$25.00.*

The author blames curiosity alone for his genealogical research. Starting with the Merckle line, his early German ancestors, the author follows them to Virginia, Kentucky, Tennessee and Florida. Some of these families are: Heyd/Hite, Chrisman, Stephens, Haney, Barrier, Collins. Mrs. (Wiren) Neff immigrated to America as a youth and her Swedish family is also presented with numerous 'dotter' and 'son' surnames which changed with each new generation. A unique feature seldom seen in family genealogies is the ancestor charts of the different blood lines with the families' German, French, English, Scotch-Irish, Swiss, Jewish, Swedish and Aland ancestry. This is a beautifully written tribute to the ancestors of the Rev. Neff's children.

CORRECTION: Vol. 29, No. 2, p. 55 - McELYEA'S in Transit, the name Mary Bowers should read Mary POWERS.

Book Reviews (continued)

MARRIAGES OF JEFFERSON COUNTY, TENNESSEE 1792-1836 compiled by Edythe Rucker Whitley. 1982. Hard back. 110 pp. Full name index. Order from Genealogical Publishing Co., Inc., 111 Water St., Baltimore, MD 21202. \$15.00.

The original Jefferson County marriage records are no longer extant. This work is based on a marriage register which was prepared by the WPA from records which have since disappeared from the county courthouse. Jefferson, made from portions of Hawkins and Greene, included what later became all or part of Hamblen, Cocke and Sevier Counties. About 6,000 brides and grooms are named in this book which is indispensable for research in Jefferson County.

THE U.S. CENSUS OF 1840 BOUNTY COUNTY, TENNESSEE transcribed from the original by David Templin and Cherele Bolin Henderson. 1981. Soft back. 131 pp. Fully indexed. Order from Smoky Mountain Historical Society, c/o Templin, Rt. 8, Peppermint Rd., Maryville, TN 37801. \$10.00.

The transcribers have made an earnest effort to ensure an accurate transcription, but the enumerator, Andrew Cowan, had his own peculiar style of writing which was often difficult to decipher. His very small writing was a major source of difficulty. In most cases, the correct spelling was obvious, but in others where the letters were interchangeable or the name was more unusual, it was impossible to decide. In these instances the names were checked against other records such as marriage and deed records. Using these records as a guide, the final determination was made. For these reasons the compilers urge you to check all possible variations of any surname for which you are searching.

PIONEER COLLECTIONS OF SOLANO COUNTY compiled by Mary Higham. 1980. Soft back. 140 pp. Order from compiler, 5272 Williams Rd., Suisun, CA 94585. \$10.00.

This first genealogical material to come out of Solano County focuses on the Gold Rush era of 1848, a fascinating part of the history of California. The compiler abstracted biographies from the out-of-print History of Solano County, 1879. Also included are surname indexes to biographies found in histories of El Dorado, Sacramento, Tuolumne, Amador, Colusa, Yolo & Napa Counties, and twelve townships. This book contains maps, census abstracts and much valuable source material, along with the unique history of Solano County, told in the 1870s writing style.

A COTHAM BOOK compiled by Mrs. Verby Lee Cotham Balinas. 1981. Soft back. 200 pp. Indexed. Order from compiler, 12022 Palmfree, Houston, TX 77034. \$10.00.

The basis of this research is the U.S. Census records beginning in Tennessee in 1820. In Hickman County in that year one finds Stephen, Moses, Isaac and William Cotham, along with Richard Forrester whose wife was Lizzie Cotham. Thomas and Elijah Cotham were in Perry County and Richard Cotham in Lincoln County. From Hickman and Perry Counties, the Cothams spread out with some of them going to Kentucky, Missouri, Arkansas, Mississippi and Texas.

JEFFERSON COUNTY, TENNESSEE GRANT BOOK #1 1792-1794 by James Douthat. 1981. Soft back. 24 pp. Full name index. Order from Mr. Douthat, 2504 Kell Rd., Signal Mtn., TN 37377. \$6.00.

The area of Tennessee now called Jefferson County was originally part of North Carolina. Early settlers arrived as early as 1783 and included men like Alexander Outlaw, Robert McFarland, James Hill, Joseph Copeland, James Hubbard, and Robert Gentry. Later settlers were Ninian Chamberlain, Thomas Snoddy, and Adam Peck. One settler, Adam Meek, lived in such a remote area that it was necessary for him to travel forty miles to a mill. The land grants given by the Governor of North Carolina were originally called public lands and were for 640 acres.

GODWIN by Jamie Ault Grady. 1981. Hard back. 253 pp. Indexed. Order from author, 4404 Holston Dr., Knoxville, TN 37914. \$16.50.

This is a family history of the Godwin ancestry dating back to the Saxon King, Edward the Confessor 1042-1066, when Harold Godwin, the son of a powerful earl, succeeded the Confessor upon his death. Deveraux and Elizabeth Godwin are the progenitors of the Godwin Family; they settled in Northampton, Virginia on Godwin's Island in 1653. The author traces her family from Peter Godwin of Grainger County, Tennessee. Copies of wills, census records, marriages, obituaries, photographs, etc., have been included in this documentation.

THROUGH THE YEARS IN OLD WINNSBORO by Katharine Theus Obear. 1940, reprinted 1980. Hard back. 258 pp. Indexed. Order from The Reprint Company, Publishers, P.O. Box 5401, Spartanburg, SC 29304. \$20.00 + \$1.25 postage.

This is a delightful book - chock full of history and names and on top of that, it is a pleasure to read. Katharine Obear was a teacher and church organist, born in Vermont but came to South Carolina with her father, an Episcopal clergyman, and family in 1855. She was described as cheerful, possessing a good sense of humor (which shows in the book), loving interesting places and people, good books, dogs and cats and as being something of a mystic. She died in 1942 at the age of ninety. This is a must for those interested in Fairfield County, South Carolina.

CHOCTAW COUNTY CHRONICLES, A HISTORY OF CHOCTAW COUNTY, MISSISSIPPI 1830-1973 by J.P. Coleman. 1981. Hard back. 438 pp. Indexed. Order from The Reprint Company, Publishers, P.O. Box 5401, Spartanburg, SC 29304. \$15.00 + \$1.25 postage.

Choctaw County has been around since Andrew Jackson was President of the U.S. Never big plantation country like that found in the Yazoo-Mississippi Delta, from the beginning Choctaw has been farmed by the small farmer either as a landowner or as a tenant. Considered by early inhabitants to be a Garden of Eden, one author states "that the Indian was in his own rights when he fought to keep his paradise." And so J.P. Coleman has chronicled Choctaw's history in all its aspects: military lists, church and biographical sketches, political and economic.

GEORGIA LOCAL AND FAMILY HISTORY SOURCES IN PRINT compiled by Marilyn Adams. 1982. Soft back. 72 pp. Indexed. Order from Heritage Research, P.O. Box 742, Clarkston, GA 30021. \$12.00 + \$1.00 postage + 48¢ sales tax to GA residents.

This bibliography of currently available Georgia materials is presented in hope that it will facilitate research into the state's family and local history by pointing the way toward available, but often elusive, resources, especially for those researchers who are conducting their search from afar. Adams found while attempting to study the histories of her own families, she became aware of the difficulties in obtaining information about published materials, which often provide valuable clues and background information. Few are widely advertised and some not at all. Consequently many researchers remain unaware of books, maps, microfilm and periodicals which are useful. She began collecting information about such sources and presents it to you in the hope the listing will prove helpful.

RISE UP SO EARLY: A History of Florence County, South Carolina by G. Wayne King. 1981. Hard back. 452 pp. Indexed. Order from The Reprint Company, Publishers, P.O. Box 5401, Spartanburg, SC 29304. \$17.50 + \$1.25 postage.

Florence County, South Carolina is bordered on the eastern edge by the Great Pee Dee River and on the western side by the Lynches River. The area was first settled by a group of Welsh from the colony of Pennsylvania in 1735/6 only forty years before the Revolution. Most of the early Welsh settlers were Baptist. Later as Ulster Scots arrived the Presbyterian Church was influential. During the Revolution Francis Marion, "the Swamp Fox", staged his attacks on the British from this area. Of particular interest to the genealogist are the appendices. For example, Appendix A is a partial list of the early Welsh Neck Land Grants and Appendix C is a partial roll of those who served in the war on the Patriot side.

MIDWEST FAMILIES by Michael John Kearney and Lisa von Kaenel. 1979. Hard back. 327 pp. Indexed. Order from Michael Kearney, 2515 Peachtree Ln., Northbrook, IL 60062. \$25.00.

MIDWEST FAMILIES is a genealogical and historical compendium of several families from Ireland, Germany, Switzerland and Belgium who settled in Iowa, Ohio and Missouri in the middle of the nineteenth century. The book attempts to trace each descendant of each immigrant ancestor of the authors. Other lines connected by marriage are included when sufficient information is available. Some of the surnames are: Walsh, Crowley, Burke, Boyle, Long, Verstreet, Weinbeck, Muller, Paur, Duhr, Bruh, Classes, Rehmkne, Sieverts, Holleran, Kelly, Amann, Delaney. Also included is a Vincent J. Kearney autobiography. Maps, copies of many old records, deeds, death certificates, baptism certificates and letters are combined with many beautiful old photographs to make a handsome volume.

SOUTH CAROLINA HISTORICAL MAGAZINE INDEX, Vol. 71-81 *edited by Harlan Greene with additions and corrections for index to Vol. 1-53, 1900-1952. 1981. Soft back. 384 pp. Order from The Reprint Company, Publishers, P.O. Box 5401, Spartanburg, SC 29304. \$25.00.*

The Southern Carolina Historical and Genealogical Magazine, published between 1900 and 1952, is from the vantage point of 1981, an article of history itself. Minute biographical and genealogical research fills much of the older volumes. In addition, the Society's own volumes of the Magazine, and other materials that have been used by serious scholars, are caches of pencilled corrections, addenda and notes. The staff of the Society realized that the notes appended to a number of articles represented almost as much information as the printed articles themselves. And so, they attempted to gather together this material and index it for you, the reader.

HAMILTON COUNTY by James W. Livingood, Joy Bailey Dunn, Editor and Charles W. Crawford, Associate Editor. 1981. Hard back. Over 133 pp. Indexed. Order from Memphis State University Press, Memphis, TN 38152. \$12.50.

Hamilton County, Tennessee is located on the Tennessee River and is a part of the Tennessee-Georgia border. Historically the county is on the trade route of the Cherokee Indians and it was the early gateway of the settlers through the southern Appalachian Mountains from Georgia to Tennessee before and during the Revolutionary War. The county was formed in 1819 but it continued to be important to the Cherokees up to their removal in the 1830's. The author has presented the story of this historical county in a dramatic and highly interesting way with many photos of noteworthy buildings and places included.

ANNOTATED CEMETARY RECORDS OF WEST WILSON COUNTY AREA OF TENNESSEE published by Mt. Juliet-West Wilson County Historical Society. Soft back. 118 pp. plus index. Order from the Society, P.O. Box 337, Mt. Juliet, TN 37122. \$15.00.

This compilation is a labor of love by many people in West Wilson County, Tennessee defined as that area from the Davidson County line to Highway 109. The people who have scurried through cemeteries and untangled themselves from honeysuckle vines and sawbriers have all had one purpose; to record the information about the residents of the section before it was destroyed by time, weather, vandals, and Progress. The annotations in this record are supplied from family records, from personal memory of funerals, and from newspaper obituaries in the hands of the local people.

WHO'S WHO IN GENEALOGY AND HERALDRY, VOL. I by Mary Keysor Meyer and P. William Filby, Editors. 1981. Hard back. 231 pp. Indexed. Order from Gale Research Co., Book Tower, Detroit, MI 48226. \$50.00.

This publication gives a resume of those genealogists the editors feel are of importance in their field and who are engaged in professional genealogical research. The book was designed to meet the needs of genealogists, genealogical societies, publishers, editors, and librarians. It should be of help to those who need the services of a professional researcher, a lecturer for a seminar, an editor, a consultant or a book reviewer. The book, no doubt, will find many uses. Naturally the people included were selected according to their contribution, achievement and public interest in the field of genealogy.

ABSTRACTS OF COLONIAL WILLS OF THE STATE OF GEORGIA 1735-1777 reprinted 1981 from a 1962 edition. Authorized by the Atlanta Town Committee, Colonial Dames. Hard back. 182 pp. Indexed by Willard E. Wight. Order from the Reprint Company, Publishers, P.O. Box 5401, Spartanburg, SC 29304. \$17.50 + \$1.25 postage.

Removal of the capital of Georgia four times, the Civil War, fire, theft, damage by water, neglect, mice and squirrels have left us with a scarcity of early records. The wills abstracted in this publication once spent nearly twenty years in "The Tower of London" going by way of the Bahamas and Scotland, being carried off by a British officer in whose charge they were on the evacuation of Savannah by the British forces. They contain not only pertinent genealogical information but reflect the social customs and economic trends of the day. This volume presents Colonial Will Books A and AA and over 300 loose wills in the Department of Archives, and 5 wills in the University of Georgia Libraries, Special Collections in Athens. Book B of Colonial Wills has never been found.

BERTIE COUNTY NORTH CAROLINA COUNTY COURT MINUTES 1781 thru 1787 BOOK V by Weynette Parks Haun. 1982. Soft back. 169 pp. Indexed. Order from compiler, 243 Argonne Dr., Durham, NC 27704. \$17.50.

Haun's index is always a delight; the surnames appear in large print and really stand out on the printed page. The same goes for the individual minutes, but she cautions the reader to check the entire page to which the index refers as a name often appears more than once. These minutes continue in sequence from Book IV.

TOMBSTONE INSCRIPTIONS, STRASBURG AND VICINITY, SHENANDOAH COUNTY, VIRGINIA by Duane Lyle Borden. 1982. Soft back. 362 pp. Full name index. Order from author, 5995 W. Arizona Ave., Denver, CO 80226. \$20.00.

This compilation contains approximately 5600 names representing the very early residents of the lower Shenandoah Valley circa 1730-1732. Cemeteries listed are BOEHM, ESHELMAN, KELLER, LEBANON CHURCH, PUGHS RUN, RITTER-WILLIS, RIVERVIEW, SAINT STEPHEN, WALNUT SPRINGS, and LEE. Directions are given for finding each of these, along with historical notes for background.

OLD ALBEMARLE COUNTY NORTH CAROLINA MISCELLANEOUS RECORDS 1678 TO ca 1737 by Weynette Parks Haun. 1982. Soft back. 231 pp. Indexed. Order from author, 243 Argonne Dr., Durham, NC 27704. \$25.00.

These miscellaneous records were transcribed from the Albemarle County Papers Vol. 1-3 in the North Carolina State Archives. Included are mortgage deeds, letters of administration, land tax records, claims, lists of tithables, etc. This is a blessing for the Albemarle County researcher as the ancient records offer difficult to read handwriting and brittle, torn paper. An interesting series in the index is Personal Possessions & Necessities of Colonial Life.

YORK, SOUTH CAROLINA, NEWSPAPERS MARRIAGE AND DEATH NOTICES 1825-1865 compiled by Brent H. Holcomb. 1981. Hard back. 129 pp. Indexed. Order from The Reprint Company, Publishers, P.O. Box 5401, Spartanburg, SC 29304. \$20.00 + 1.25 postage.

This volume contains abstracts of marriage and death notices from extant newspapers of York (or Yorkville), South Carolina. The issues of the 1820's - 1840's do have large gaps, but happily, the Yorkville Enquirer presents a complete file of newspapers for the period of the Civil War. Few newspapers could publish during this period for lack of available paper, and many which did publish have not survived. In addition to the soldiers' obituaries, those of the elderly who died during the war are important. Often, money was scarce during and after the war, and tombstones were never erected for many of the people for whom we have obituaries here.

THE VENTURERS The Hampton, Harrison and Earle Families of Virginia, South Carolina and Texas by Virginia G. Maynard. 1981. Hard back. 1114 pp. Indexed. Order from Southern Historical Press, P.O. Box 738, Easley, SC 29640. \$42.50.

The author traces the Hampton family and their allied Harrison and Earle families 15 generations through 300 years of American history. The history begins with William Hampton, the immigrant, who came to Jamestown in 1620 and ends in South Carolina with the death of General Wade Hampton III in 1902. Part II of the book lists all known descendants of William Hampton to 1980 with a short biographical sketch of each head of family. This family history is well documented and includes maps, pictures and charts and is a refreshing genealogy.

MARRIAGE AND DEATH NOTICES FROM BAPTIST NEWSPAPERS OF SOUTH CAROLINA 1835-1865 compiled by Brent H. Holcomb. 1981. Hard back. 144 pp. Indexed. Order from The Reprint Company, Publishers, P.O. Box 5401, Spartanburg, SC 29304. \$22.50 + \$1.25 postage.

This volume consists of marriage and death notices from the three Baptist newspapers which were published in South Carolina before and during the Civil War era; The Southern Baptist and General Intelligencer (later The Southern Watchman and General Intelligencer) 1835-1837; The Southern Baptist, 1847-1860; The Confederate Baptist, 1862-1865. The first two were published in Charleston and the last in Columbia. The notices themselves pertain mainly to South Carolinians or persons with strong connections there. Of much interest are notices of persons who removed to other states, particularly Georgia, Alabama, Mississippi, Texas and Louisiana.

WILLIAM F. MOORE - PEYTON ENGLISH MOORE Contributed by James T. Goodbread, Rt. 1,
Cleveland, OK, 74020

This old family Bible, owned in 1971 by Mrs. Lassie Moore Goodbread Black of Columbia County, FL., is the basis of research on this particular Moore family.

William F. MOORE was born 1805/10 according to the 1840 Hardeman Co., TN census or in North Carolina according to other records. He died Aug 1844 in Hardeman Co., TN. His wife, Mahala B. ENGLISH, was born in 1817 in Tennessee according to the 1850 census, but her son said she was born in Ireland. Their children, all born in Hardeman Co., TN, were:

1. Elizabeth Moore - born 28 Mar 1837; married ____ JOBE and had at least one child, William Thomas Jobe - born 10 May 1859
2. William Thomas Moore - born 2 Jun 1838
3. Martha V. Moore - born 1840
4. Andrew Jackson Moore - born 9 Jan 1842
5. Peyton English Moore - born 16 May 1844; died 29 Dec 1904 in Pocahontas, TN

When Peyton English Moore was three months old his father died and his mother married a second time. Peyton was then adopted and reared by William A. McDONALD and his wife, Frances Caroline DAVIS. In a pension application filed 12 Mar 1904, Peyton said he was a resident of Essary Springs in Hardeman Co., TN. He gave his birth as 16 May 1844 in Hardeman Co., TN. On 16 Apr 1861 he enlisted in the 4th Tennessee Infantry under Col. R.P. NEELY, Capt. James FENTRESS and was transferred to the 9th Regiment under Col. DOUGLASS and Capt. J.M. PARK in Oct 1861. Later he was assigned to Capt. YOPP's Company of Cavalry, Brig. J.J. Neely in command, where he received multiple wounds at the Battle of McDonald's Farm. He was captured and imprisoned for several months in St. Louis, Cincinnati and Baltimore, and was exchanged at City Point, VA to be returned to his command. He served to the end of the Civil War, surrendering at Meridian with the General Army. His pension was accompanied by a paper from his attorney, H.E. CARTER, with Fred MILLS and J.J. Neely certifying to his service.

On 17 Apr 1871 in Pocahontas, TN., Peyton English Moore was married to Edith Davis, born 7 Dec 1848, by Rev. Miles B. Moore. She was the daughter of Wiley Jarret Davis and Mary Ann TEDFORD. (Note: This marriage is erroneously recorded in Hardeman Co., TN Marriage Book 3, p. 240, as Edith Davis to Bailey Moore.) Their first child was born in Yazoo City, MS and the other three in Pocahontas, TN. They were:

1. Nettie Moore - born 18 Feb 1872; died 28 Nov 1932 in Lake City, FL; married Augustus Session GOODBREAD on 11 Nov 1903 in Corinth Community, Columbia Co., FL. He died 8 Dec 1916 in Columbia County. GENESIS OF AN ALLEN - Contributed by Mrs. Myrtle Lauder Zahn, P.O. Box 745
Winnie, Texas 77665

Knowing her ancestor, Thomas ALLEN, died in Moniteau Co., MO in 1845, the compiler began her search in Cole Co., MO Court House, where she found the marriage record of Iraneous R. NEACE to Lucinda Louisa Allen. Then in Moniteau County, in a box dusty with age, the Clerk allowed her to search through stacks of old documents filed chronologically for a hundred years. The Thomas Allen bundle disclosed a will, estate settlement, and signatures of all his children and their spouses. The 1850 Census of Tarrant and Denton Counties, Texas established the fact that some of the children had been born in Tennessee.

Thomas Allen had willed his wife, Permelia (LINDSAY) his slaves, Ambrose and Caroline, which proved an important clue, along with the NSDAR record #473,777 of Richard Allen, Sr. of Wilkes Co., NC. A copy of the latter's will named all the

Family Gatherings (continued)

children and slaves, Ambrose and Caroline. Shortly before his death Richard Allen, Sr. had applied for a government pension, but died before receiving anything. His son, Richard Allen, Jr. had to submit a witnessed statement to the government about the death, names of all the surviving children and places of residence of each at that time - 1832. There was Thomas Allen listed as living in Bedford Co., TN. This pension application (#6490) gave many working clues, one being that Richard was born in Baltimore Co., MD. Richard Sr. and Nancy named their eldest son John, probably for Richard's father because Thomas was named for Nancy's father, Thomas Lindsay, who died in Frederick Co., VA in 1769. Richard and Nancy moved to NC by 1770.

A Professional genealogist had stated that Richard Allen was the son of John Allen, who married Ann RHODES/RHOADS on 24 Nov 1740 in St. John's Parish MD. Ann was born in that Parish 22 Apr 1722, daughter of Richard and Mary Magdalen Rhodes.

The widow, Permelia (Lindsay) Allen, with her children and their spouses, and Ambrose and Caroline, came by wagon train, led by Hall MEDLIN, to Texas. Much of her family is listed in the book, "The Peters Colony of Texas" with their land grants and certificate numbers. They settled on both sides of Tarrant and Denton County lines near Roanoke, Deller, Justin, Elizabethtown, and Grapevine.

Iraneous R. Neace and wife homesteaded 640 acres of land; they deeded one acre for a cemetery and Mt. Gilead Baptist Church, which was established in 1850. Ambrose and Caroline were also charter members of this church. Most of Permelia Lindsay Allen's family were members of Lonesome Dove Baptist Church in Denton Co., TX before Mt. Gilead was organized. In February 1846 "Milly" Allen, Caroline and Ambrose were on that church roll. Many descendants of this hardy stock now live in all parts of Texas.

The compiler's greatest thrill of research came through the help of the Boy Scouts of American and Mr. R. Ivey MOORE, genealogist and historian for Wilkes Co., NC. The Scouts cleared and cleaned the family burial site of Richard Allen, Sr. in Edwards Twp., near Roaring River about ten miles east of N. Wilkesboro, NC in preparation for the Bi-Centennial celebration. NC Highway Marker #288 between Roaring River and Ronda reads as follows: "Richard Allen, Sr. Colonel of NC Militia at Battle of King's Mountain. Delegate to the Hillsborough Convention, 1788; in General Assembly, 1793. Grave 4 mi. N." His descendants include names of WALSH, BAUGUS, BARCROFT, FRESHOUR, NEACE, HAMPTON, TRIMBLE, LAUDER, MEDLIN, DUNHAM, FOSTER, KIMBROUGH, LINDSAY, and many others.

A family record compiled by Thomas Allen Neace about 1900 noted that Permelia's uncle "Old Silver Fist" Major John Lindsay fought in the Revolutionary War. His Georgia records show he was the son of John Lindsay (which was proved by his Bible record), and this elder John Lindsay would be the grandfather of Permelia. This record also noted that her uncle, Daniel SISK, was killed at the Battle of King's Mountain, but that was not confirmed by the Nease record. The compiler knows that Major John Allen had a brother, Benjamin, in South Carolina.

BIBLE OF MARTHA L (SPEAR) GROOMS - Contributed by Mrs. Bettye G. Burgess
2720 Sandy Lane, Ft. Worth TX, 76112

This Bible, owned in 1976 by W.E. Cuffman of Denton, TX, is very old and fragile with dim handwriting that is hard to read including some erasures.

Jordan (Jurden) P. GROOMS of Weakley Co., TN is not listed in the Bible, but he married Martha L. SPEAR on 19 Jan 1863. He was a Mason, and he and his wife were active in the Meridian Cumberland Presbyterian Church. They are both buried in that church's cemetery. Martha L. Spear, who was the daughter of Willis and Sarah Le Spear, died on 1 Oct 1902. Tradition says that Jordan P. Grooms was the son of Major Groom and wife, Mary (Polly) POPE. This Major (Sr.) Groom was the son of Stephen Groom and wife, Winnifred WINDERS. Stephen Groom served in the War of 1812, fighting in Georgia where he is believed to have been born. He was probably married in Kentucky.

Wilson KELLY married Mary E. Spear 15 Jan 1860.

THE MASTER SURNAME INDEX

The MASTER SURNAME INDEX contains thousands of cards representing individuals found in the family trees of our subscribers. Our file is not restricted to any particular locality, but covers families who lived in various European countries and in every state of the United States.

Subscribers may request information from this file by writing to the Tennessee Genealogical Society, P.O. Box 12124, Memphis, TN 38112. They will receive information from four (4) surname cards and names & addresses of those working on the same surname. Please send a SELF-ADDRESSED, STAMPED ENVELOPE, and limit requests to one each three (3) weeks as this has proved to be a popular service and an effort is being made to expedite your replies.

WE DO NOT DO FAMILY RESEARCH. ONLY MEMBERS AND SUBSCRIBERS MAY USE THIS SERVICE.

You can help make this file more effective by sending us a 3x5 inch file card (no other size will fit our files!) for EACH member of your family tree to be added to this Master Index. Cards should be typed or printed very plainly.

Please give the data listed on the sample card below in preparing your cards. Children should be listed on the back. Each card should contain at least one date and one place, even if they are estimated or guessed. This will enable us to determine that a person who lived in one area in the 17th century is a different person from one (with the same name) who lived in another area in the 19th century. Please keep your address current with the Surname Index secretary; the index is revised every five years and if you have not written in that time, your surname cards are transferred to another file for use in the genealogical library.

"ANSEARCHIN'" NEWS is the official publication of THE TENNESSEE GENEALOGICAL SOCIETY: published quarterly in March, June, September and December; annual subscription \$10.00. All subscriptions begin with the first issue of the year. Non-delivery of any issue should be reported to THE TENNESSEE GENEALOGICAL SOCIETY within two months of date of usual delivery. A charge of \$2.00 will be made for redeeming and re-mailing copies which are returned to us and which must be forwarded. Contributions of all types of genealogical information will be accepted. We publish previously unpublished Tennessee-connected data, preferably that with pre-Civil War dates. All material for publication is subject to editing to conserve space.
