## OVER THE EDITOR'S DESK

At this time of the year many researchers are returning home from summer jaunts to archives and court houses. I do hope that each of you has returned with a "plum", some item that is really of value to you. However, one of our subscribers called to our attention a problem that faces many researchers. She says, "Many original records pertaining to the Crockett family have found their way into private hands. This is especially true of records of any David Crockett (e.g. the will of David Crockett who died in Owen Co. Indiana in 1850 is missing from the file box) but is also true of others of the Crockett name." This deplorable situation gives all genealogists a bad name and causes some county officials to be reluctant to admit the general public to their records. Another subscriber reported that situation exists in Hamilton County, Tennessee.

There is one way we genealogists can help to restore faith in our integrity; it is a plan offered by Elizabeth Smith, 41640 Carsey Rd., Albany, OH 45710. If anyone of us, or anyone we know, will send a xerox copy of a Crockett document to Ms Smith, she will see that it is placed in the proper court house, library or archive files. It behooves all of us to do what we can to restore all missing records, as well as our good name. It is obvious from all the tightened security in archives and libraries that theft has become a mounting problem.

There are two new family groups beginning publication: WARREN FAMILY HISTORIAN, write Jim Warren, 1869 Laurel Ave., St. Paul, MN 55104 for information; SARTAIN FAMILY NEWSLETTER, write Larry W Gaian, 2955 New Jersey Ave, Lemon Grove, CA 92045

The STRATTON family members will be glad to hear that Herman S. Brown, 511 N. 1st St. Apt. # 510, Charlottesville, VA 22901 has compiled the male line for nine Stratton families of Henrico and five other counties in VA. He invites inquiries re his work.

Have you ever tried to locate Eastern European villages and towns? It could be a difficult task. The Jewish Genealogical Society of Illinois has a vast collection of maps, some dating to 1790. They offer help for a nominal fee; write for details to Map Department-JGSI, Mrs. Freya Maslov, 5819 W. Keeney St., Morton Grove, IL 60053.

## BOOK REVIEWS

By Herman L. Bogan, Eleanor W. Griffin, Wanda C. James, Evelyn D. Sigler

PROBATE RECORDS 1904-1908 NORTHERN DISTRICT CHEROKEE NATION Vol. 2 by Orpha Jewell Wever. 1983. Soft back. 110 pp. Indexed. Order from Northeast Oklahoma Genealogical Society, Box 963, Vinita, OK 74301. \$10.75.

The Cherokee Nation was established in what is now northeast Oklahoma following their removal from the east in the 1830's. White men lived in the nation only by right of intermarriage or by permit from the tribe. The author has abstracted the probate records of the United States Federal Court, Northern District, Indian Territory, copying all data which is important to the family historian. One should remember that persons whose wills were probated from 1904 to 1908 were probably born in the early and middle 1800's. A complete name index facilitates easy research in this volume of probate records.

MCDOWELL COUNTY, NORTH CAROLINA LAND ENTRY ABSTRACTS VOLUME I 1843-1869 compiled by Mr. and Mrs. Judson O. Crow. 1982. Soft back. 500 pp. Indexed. Order from The Reprint Co., P.O. Box 5401, Spartanburg, SC 29304. \$25.00.

McDowell County was formed in 1842 from Burke and Rutherford Counties. Its history has been preserved, but very little published data is available. These abstracts are presented to aid the researcher in locating the early people geographically and time wise. An effort was made to include all items of genealogical and historical interest. The format enhances the ability to quickly assemble information: no more than six abstracts appear per page, making it a great deal easier to locate data on the page.

THE WALTER STEWART FAMILY HISTORY by Mary Stewart Rawlinson. 1982. Hard back. 540 pp. Indexed. Order from Codar, Inc., 1563 Brennen Rd., Columbia, SC 29206. \$25.50.

Tradition has it that Walter Stewart came from County Antrim, Northern Ireland with his wife, Mary Ross, and settled in Laurens County, South Carolina in 1788, just five years after the Revolutionary War ended. He had seven sons by two wives and here are listed 6,280 known descendants and spouses. He and his second wife, Isabel Bobo, moved to Gwinnett County, Georgia where he died about 1825. The book's unique organization follows a family clan format by listing chapters titled as Houses of: Samuel; John; Robert; James; Walter Jr.; Clark and David, the seven sons. This is a well presented history with clear photographs, interviews, personal information, letters and addresses of many of the descendants.

STRONG FAMILY OF VIRGINIA AND OTHER SOUTHERN STATES by James Robert Rolff. 1982. Hard back. 487 pp. Indexed. Order from the author, 15024 S. Mission Ave., Oak Forest, IL 60452. \$27.95 in 1983 (\$35.00 thereafter).

The author has presented much evidence of thorough and costly research concerning the Strong family of early Virginia. The book contains Strongs suspected of being ancestors (1619-1699) and ancestors 'surely claimed' (1699-1755). The earliest Strong progenitor is William born in 1699. His children and their descendants make up the bulk of the book. The text is informative, well documented and well indexed. Some of the families who intermarried with Strongs are: Colley, Callahan, Spencer, Davidson, Plumer, Deaton, Wilson, Hickman, Salling and Quillen.

JONATHAN BLEVINS SR. OF VIRGINIA AND HIS DESCENDANTS by Laccie W. Blevins and Ray E. Blevins. 1982. Soft back. 177 pp. Indexed. Order from Laccie Blevins, Route 2, Box 236, Powell, TN 37849. \$20.00.

The Blevins name has long been associated with the Long Hunters of Southwest Virginia as mentioned by Draper and many others. Jonathan Blevins was born in Virginia, possible Montgomery County, in 1779, and by 1790 he is found in Burke County, North Carolina. The family migrated westward through Washington County, Tennessee (1800) and settled in Wayne County, Kentucky in 1803. The authors have supplied, along with the descendants of Jonathan, miscellaneous information on related Blevins families. Smith, Terry and Roysden are some of the allied families.

JOHNSTON COUNTY, NORTH CAROLINA TAXABLES 1784-1820 Part 1, 2, 3 compiled by Weynette Parks Haun. 1983. Soft back. Total 394 pp. Indexed. Order from Ms Haun, 243 Argonne Dr., Durham, NC 27704. Sold only in sets \$60.00 (NC residents & Libraries add 4% sales tax).

Transcribed verbatim from microfilm, every effort has been made to present the names exactly as they appear in the original lists. An alphabetized listing by Captains' names is given; then listed are the Captains' districts in chronological order. This listing helps because the tax lists are not in chronological order. Reduced print size was chosen to keep costs at a minimum. Encountering the usual problems with old records such as faded ink, pages torn and parts missing, difficult to read handwriting, the compiler has presented valuable material for the Johnston County researcher.

WRITE IT RIGHT, A Manual for Writing Family Histories and Genealogies by Donald R. Barnes and Richard S. Lackey. 1983. Soft back. 124 pp. Indexed. Order from D.R. Barnes Associates, Box 5755, Rockville, MD 20855-0755. \$7.00 (MD residents add 5% sales tax).

In the introduction J.F. Dorman states, "This all important step between research and publishing has been a stumbling block for many genealogists who have seen writing as an impossible task. As a result these people have at their deaths left a mass of unorganized papers which often have been thrown away by heirs who could not understand their contents, or when preserved in an archival institution, have been of minimal value to others because there was no order to the collection." This little volume will send you to the writing desk with pen in hand, and provides you with many important tips.

SHELBY COUNTY, TENNESSEE MARRIAGE BONDS & LICENSES 1850-1865 compiled by Bettie B. Davis. 1983. Soft back. 252 pp. Indexed. Order from author, 1610 Wheaton, Memphis, TN 38117. \$15.00.

Transcriptions of nearly 5,000 Shelby County marriage records 1850-1865 are presented in this volume. Between 1862 and 1865 when the area was under Federal occupation during the Civil War, nearly 900 marriages were never recorded. The author writes that "The entries in this book which do not include a notation in the column marked 'Bond #' are those heretofore unrecorded marriages." The bonds and/or licenses in this publication are now on file at the Memphis Shelby County Archives. The marriages are listed alphabetically by groom's name and include the bond number, date the license was issued, date the marriage was performed, name of the co-signer of the bond, and the name of the officiant. There is a bride's index and an officiant index.

TOMBSTONE INSCRIPTIONS Woodstock, and Fort Valley Vicinities, Shenandoah County, Virginia by Duane L. Borden. 1983. Soft back. 444 pp. Indexed. Order from Mr. Borden, 5995 W. Arizona Ave., Denver, CO 80226. \$25.00.

Persons using this volume are cautioned to search for variants of any surname that they may be interested in, as a large percentage of the surnames are of Germanic origin, and very early scribes recorded them in many different ways. The index contains approximately 9,152 names and quite a number of the burials occurred in the 1700's. Detailed directions for finding each cemetery and detailed descriptions of each cemetery's condition are given. When known, some historical facts are included on some of the burial sites.

LEST WE FORGET - A Record of Tombstone Inscriptions Red River Parish, Louisiana and Vicinity by Gwen Bradford Sealy. Soft back. 1983. 220 pp. Indexed. Order from the author, 833 River Rd., Shreveport, LA 71105. \$22.00.

Most of the early settlers in this area came from the Carolinas, Virginia, Alabama and Georgia. There are many citizens born in the early 1800's recorded here; the earliest is 1776, along with three subsequent generations. Short genealogies have been included, along with some bits of historical information gleaned from the Centennial Edition of the "Coushatta Citizen". A brief history of some of the churches, and the names of the ministers, is included, along with a map of the area giving the locations of the named cemeteries in the parish and nearby cemeteries in adjoining parishes. There are approximately 10,000 names in the index.

Book Reviews (continued)

TOWNSHIP TWIGS by Marie Thompson Eberle and John Allen Thompson. 1981. Soft back. 188 pp. Indexed. Order from Marie Eberle, 2 Brookside Ct., Edwardsville, IL 62025. \$12.00.

This book is intended to be a beginning effort in tracing the descendants of Sheldon/Shelton Thompson, with particular emphasis on the family of his eldest son, Reverend Alexander Grandison Thompson, the great-great-grandfather of the authors. Sheldon was born in 1788 in Connecticut, but in 1820, he is in Washington County, Virginia, with his wife, Ann Bowman, daughter of Esaias, and family. Other family connections treated in the book are Allen, Daily, White, Crawford, Bowman, Whitaker, Johnson, Dickenson, Linder and McCulloch.

THE SALYER FAMILY by Elisabeth L.W. Salyer. 1982. Hard back. 688 pp. Indexed. Order from Mrs. E.K. Salyer, 734 Ardmore Rd., West Palm Beach, FL 33401. \$51.00.

The author has worked on this book for over twenty years; it is based primarily on source records and relies on tradition only when that is the only data available and then she is careful to so state. It is divided into several sections: Colonial Era Salyers, Descendants of Zachariah Sallier, Sr. in Virginia and Kentucky, Early Salyers of the Carolinas, Other Salyer Families in Kentucky, Indiana and New York State. Also included is data on several Harlan County, Kentucky families such as Arnett, Saylor, and some of the early Howards. This is a beautifully executed book with copies of original records and numerous good photographs.

THE LANE FAMILY compiled by Larry A. James. 1982. Soft back. 66 pp. Indexed. Order from Mr. James, 504 Joy, Neosho, MO 64850. \$8.00.

The Reverend Tidence Lane was born near Baltimore in 1724. His parents followed the drift of population from Maryland southward, first in Virginia and then into North Carolina, where they settled on the Yadkin River, not far from the Carolina home of Daniel Boone. Tidence became a well-known Baptist minister; a church historian has described him as a preacher "of reputation and success." In this volume, Mr. James has researched his ancestry and descendants by including wills, census, letters, tax assessments and excerpts from county and state histories and newspapers.

FAYETTE COUNTY, TENNESSEE COUNTY COURT BOOK B 1840-1844 abstracted by Jean Alexander West. 1983. Soft back. 203 pp. Indexed. Order from Ms West, 3133 Chisca Ave., Memphis, TN 38111. \$16.00.

Fayette County was erected in 1824 from an eastern section of Shelby County and a western section of Hardeman County. This volume covers the period from 6 April through September 1844, a time of great westward migration. Since Fayette County lay in the path to Memphis and the crossing of the Mississippi River, many people who traveled this route stopped here. This county court dealt with guardians, administrators, widows allotments and property divisions, power of attorney, veniremen for juries and road crews. Much valuable information for genealogists and family historians appears in county court minutes. The original is in the Manuscript Division of the Tennessee State Library & Archives.

"DOWN IN THE BARNS" THE KECKS OF CLAIBORNE COUNTY, TENNESSEE by Virginia Billingsley Fletcher. 1983. Hard back. 407 pp. Indexed. Order from author, 721 N. West 73rd Ave., Fort Lauderdale, FL 33317. \$27.00.

The founder of the Keck line in Claiborne County, Tennessee was Conrad "Conrod" Keck of Northampton County, Pennsylvania. Following the Revolutionary War, he left and in 1798 was in Orange County, North Carolina. By 1814 he was in Claiborne County, Tennessee, settling on Hunting Creek in the Sharp's Chapel area. Included is documented service of four Revolutionary War Soldiers: Keck, Ousley, Yadon and Pennebaker. These four ancestral lines, plus Malet, Poyntz, and Harris, are traced to their country of origin. The descendants of a grandson, John Guider Keck, occupy one part of this fine book. Also presented is some information on the Barton and Capps families. There are 50 photographs in this Keck volume.

Book Reviews (continued)

JOHN SAMUEL PERKERSON AND HIS DESCENDANTS compiled by Max W. Camp. 1982. Hard back. 160 pp. Order from Mr. Camp, 29590 Hoover Rd., Warren, MI 48093. \$16.00.

Eighty years after it was written, a letter addressed to Angus M. Perkerson of Atlanta - then a young Confederate Artilleryman with Longstreet's Corps in Virginia - was delivered to his son, Angus Perkerson. The lengthy letter written in 1864 by the first Angus' sister, Elizabeth, never reached the brother for whom it was intended. Instead a Federal soldier found it and took it home with him. Many years later after reading Gone With The Wind, his daughter restored the letter to the family in Atlanta. It is a fascinating story written by a strong-minded young woman. She died at the age of 97 on the old homeplace. This is indeed a nice addition to the compiler's record of his Perkerson family in Georgia.

WAR OF 1812 GENEALOGY by George K. Schweitzer. 1983. Soft back. 70 pp. Order from Dr. G.K. Schweitzer, 7914 Gleason, C-1136, Knoxville, TN 37919. \$7.00.

The War of 1812 generated a sizable amount of genealogical data which no genealogist should overlook. This paperback research guide, with over 300 sources for tracing your 1812 ancestor, contains precise, easily employed instructions for obtaining data in the quickest and least expensive ways. Chapters are: Service Records; Post-War Records; Publications; Local Sources; and Sites, Sights and Cites.

CHRISTIAN HEIDELBERG And Some of His Descendants 1720-1982 compiled by The Heidelberg Family Association. 1982. Hard back. 360 pp. Indexed. Order from the Association, 4014 Hawthorne Dr., Jackson, MS 39206. \$25.00.

Christian Heidelberg first appears in colonial records in North Carolina in 1720 in Chowan County, but he established his home and family in Onslow County. Of two children, one disappears from the records early, but his second son, John Christian Heidelberg, married Catherine McClammy. Of their eight children, three and their descendants each have full chapters devoted to them in this volume. Most of the Heidelberg clan moved to Georgia around 1800.

LAUDERDALE COUNTY, TENNESSEE MARRIAGES 1838-1867 compiled by Bettie B. Davis. 1983. Soft back. 70 pp. Indexed. Order from compiler, 1610 Wheaton, Memphis, TN 38117 \$7.50.

The earliest marriage on record in Lauderdale occurred 3 March 1838, approximately two years after the county was formed. If earlier marriages were ever recorded, the book is not now available; neither are the bonds and licenses for that period, or for the period covered by this book. The original records were arranged chronologically but for convenience they are listed in this volume alphabetically by grooms' names. There is also an index for brides and an index of officiants.

A MCFADDEN CHRONOLOGY 1710-1900 by William Thomas Skinner, G.C.R.S. 1983. Soft back. 64 pp. Indexed. Order from Chester County Genealogical Co., P.O. Box 64, Richburg, SC 29729. \$10.00.

A chronology is an event list arranged in a yearly progression. Many McFadden families have their roots in Chester County, South Carolina. This volume contains records of some of these McFaddens and their descendants. A few references to the Williamsburg District, South Carolina branch and the Rutherford County, North Carolina branch are given to infer a relationship, if not in this country, then perhaps in Ireland. Information has been arranged in chronological order as found and interpreted by the many researchers represented in these notes.

THE FAMILY OF JOHN FOUST AND ANNA BARBARA ALBRECHT And Allied Families by Mozette Foust. 1982. Hard back. 250 pp. Indexed. Order from Mozette Foust, Thornton, TX 76687. \$29.95.

Johan Foust, Palatine, born in 1719, arrived in Philadelphia from Rotterdam aboard the ELIZABETH in 1733. In 1740 he married Anna Barbara Albrecht. All their children were born in Berks County, Pennsylvania; they moved to Orange County, North Carolina in 1764. From there their descendants spread into Tennessee and other westward states. Associated family names are Wolf, Clapp, Kivett, Snotherly and Edgeman. Accenting this volume are wills, census, land records, maps and photographs.

Book Reviews (continued)

THE BRUCES OF CHOCTAW COUNTY, MISSISSIPPI and Their Ancestry by J.P. Coleman. Hard back. 171 pp. Indexed. Order from James Coleman, P.O. Box K, Ackerman, MS 39735. \$14.00.

The Bruces, present in South Carolina in 1785, have been in Choctaw County for seven generations, arriving there first about 1847. The information contained in this book will enable the Bruce descendant of today to add the modern, easily available records and construct his personal family tree back to the time of the American Revolution. This is a valuable source book about Bruce forebears.

ROBERTSON COUNTY, TENNESSEE MINUTES OF RED RIVER BAPTIST CHURCH 1791-1826 transcribed by Mary Holland Lancaster. 1983. Soft back. 204 pp. Indexed. Order from Ms Lancaster, P.O. Box 2068, Florence, AL 35630. \$22.75.

The Red River Baptist Church originated in 1791 with the coming of two Baptist missionaries from Lexington, Kentucky, Ambrose Dudley and John Taylor. It was located at the mouth of Sulphur Fork Creek but in 1871 was moved to Adams, Tennessee. One major source of historical and genealogical information in a frontier society is church minutes. These minutes cover a period of thirty-five years, begun in 1793 by Elias Fort from Edgecomb County, North Carolina, where he had served as clerk in the Kehukee Baptist Association.

BLATCHLEY PHYSICIANS & PIONEERS, A Family History of Descendants of Thomas Blatchley 1635-1929 by Shirley Hathaway Stebbins. 1983. Hard back. 265 pp. Indexed. Order from author, P.O. Box 1137, Julian, CA 92036. \$28.50

The author has traced some twenty-five Blatchley doctors through four generations and various migrating patterns across the nation. Making up a very interesting part of this volume are the memoirs of Elizabeth Blachly January (1839-1929) who traveled the Oregon Trail in 1854 from Indiana. Associated names are January, Seavey, Morgan and Hathaway. Maps and many photographs of descendants are presented. About 65 pages of notes and references give sources, additional information and excerpts from letters.

SEVEN GENERATIONS OF THE DESCENDANTS OF AQUILA AND THOMAS CHASE compiled by John Carrol Chase and George Walter Chamberlain. 1928 reprinted 1983. Hard back. 650 pp. Indexed. Order from Parker River Researchers, P.O. Box 86, Newbury, MA 01950. \$37.00.

The Chase genealogy begins in England with Thomas Chase b c1520. The first in America were Aquila Chase (1618-1670) and brother, Thomas Chase (c1617-1652). Aquila and Thomas received grants in June 1640 at Hampton, New Hampshire. The book has "long been recognized by librarians and researchers as exceptionally accurate." The maps and illustrations of the original edition are included in the reprint. Four indexes present English Chases, Descendants of Aquila Chase, Descendants of Thomas Chase, and other names. A supplement to the Chase genealogy is planned and Chase descendants are welcome to send Parker River Researchers their family information.

HISTORY OF THE DESCENDANTS OF CHARLES KEYSER AND HENRY MILLER compiled by Florence Skinner Miller and Louise Keyser Cockey. Hard back. 482 pp. Indexed. \$35.00. (both books)  
SUPPLEMENT TO HISTORY OF THE DESCENDANTS OF CHARLES KEYSER AND HENRY MILLER by Louise Keyser Cockey. 1982. Soft back. 39 pp. Order from Mrs. R.L. Cockey, 211 Longwood Rd., Baltimore, MD 21210.

In 1749 German born Charles Kayser arrived in Philadelphia on the ship Patience. Married to Elizabeth Grossgloss, they settled briefly in Lancaster County, Pennsylvania. After 1752 they moved on to Frederick County in the Shenandoah Valley of Virginia. Henry Miller and his wife, Susannah Sibler, lived in the Philadelphia area until some time in 1771, when they moved to Culpepper County, Virginia. Some other names associated with these two families are Haines, Botts, Armstrong, Biedler, Rhinehart, Roads, Strickler, and Hottle.

Mrs. Cockey, after the publication of the original book, began to hear from Keyser descendants all over the country. They sent her so much information that she has compiled a supplement which contains information on the family of Elizabeth Keyser Hurst, the Brubaker family, Esther Keyser Austin's family, and the family of Joseph Kiser.

THE DESCENDANTS AND ANCESTORS OF YOUNG SNIPEs by Earl A. Truett. 1982. Soft back. 256 pp. Indexed. Make checks payable to The Snipes Family of America, Inc., Earl Truett, P.O. Box 323, Oxford, MS 38655. \$20.00.

It is believed by some that the family name Snipes was originally "Snape". There were definitely two separate Snipes family lines in America, one in South Carolina and one in Virginia. There may be a third line in Maryland as early as 1637. This volume accounts for Young Snipes' life from the time he was born in 1805 in Chatham County, North Carolina until his death in 1884 in Marshall County, Mississippi (except for a 2 year period from 1852-1854). The family was also in Upson County, Georgia at one point. Nevill and Bynum are associated family names, and a section on the Lee Family of Virginia is also included. There are speculative chapters on the antecedents of Young Snipes.

GEORGIA GENEALOGY AND LOCAL HISTORY, A Bibliography compiled by James E. Dorsey. 1983. Hard back. 384 pp. Indexed. Order from Mr. Thomas E. Smith, The Reprint Co., Publishers, P.O. Box 5401, Spartanburg, SC 29304. \$20.00 paper cover, \$27.00 cloth cover.

This bibliography is designed to provide a convenient, one-volume guide to the literature of local history and genealogy relating to Georgia. The first part lists books, periodical articles and other sources that refer to general state-wide material. The second part is arranged by county and lists specific references to genealogical records and local histories dealing with each county. The major emphasis is on published source material.

INFORMATION ON SOME GEORGIA PIONEERS by Joseph T. Maddox. 1982. Hard back. 216 pp. Indexed. Order from author, P.O. Box 157, Irwinton, GA 31042. \$30.00.

The book is based on a listing of some 25,000 land lottery registrants of the 1805 Georgia Land Lottery. The family heads, widows and orphans were then living in the 25 original eastern Georgia counties. Lucky ticket holders were given 202.5 acres located in the newly created counties of Baldwin, Wilkinson and Wayne. Mr. Maddox has examined Georgia statistical records and here matched the information with the registrants. It is recommended that one compare the data here with listings in the 1805 Georgia Land Lottery by Virginia and Ralph Wood.

GENEALOGY OF SYLVANUS FOWLER OF NEWBURGH, NEW YORK, JACKSON AND CLAY COUNTY, TENNESSEE AND RELATED FAMILIES 1978. Soft back. 125 pp.

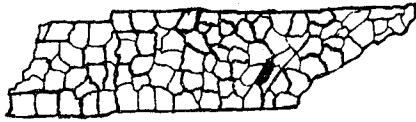

GENEALOGY OF DONALDSONS OF WILSON AND CLAY COUNTY, TENNESSEE: COLSONS, BROWNS, AND HORDS OF VIRGINIA AND TENNESSEE AND RELATED FAMILIES 1981. Soft back. 95 pp. Both books by Elise Donaldson Waters. Order from author, 1900 Acklen Ave., Apt. 1409, Nashville, TN 37212. Price not stated for either book.

Sylvanus Fowler (1st child of John and Gloriana Fowler) was born in Newburgh, Ulster County, New York about 1773 and came to North Carolina and later Jackson County, Tennessee in the late 1790's. He married Mary Ussery about 1800. They had eight children; each of them had several children so there are many Tennessee descendants. Included in this work are many family group sheets of Fowler families and related lines: Ussery, Hamilton, Donaldson, Atterberry, Martin, Clendenen, Drake and L'Estrange, to name a few.

Humphrey Donaldson was known to be living in North Carolina in 1767. His will, recorded in Caswell County, North Carolina, lists his wife, Mary, and ten children. His five sons, William, Humphrey II, Andrew, Ebenezer and Robert, later came to Wilson County, Tennessee in the 1790's. Related families are Hords, Colsons, Carrs, Page, Winstons, D'Aubignes, Fontaines, Burrus, Martin and Chiles. Many family group sheets are included in this work by Mrs. Waters.

THE MOORES OF MADISON COUNTY, ILLINOIS and Related Families by Earl Moore. 1982. Soft back. 91 pp. Indexed. Order from Mr. Moore, 152 Walnut St., Wooddale, IL 60191. \$15.00.

Beginning with John Moore in Surry County, North Carolina in 1790, the family trail leads to Abel, George and William Moore who settled in Madison County, Illinois. There is a section on each of these men and their descendants. Related family names are Bates, Culp, Williams, Deck, Titchenal, Hedden, Mahurin, Beeman, Hamilton, Stahl, Harris, Cunningham, Thomas, Davis and Flint. Photographs, Bible records and copies of documents and maps enhance this genealogy.

In searching for her Wood ancestors, Mrs. Finley found that in the Will Book 1837-1839 Wilson Co TN that the page on which the will of Thomas Wood was written had been removed. Her correspondence with relatives revealed that a copy had been sent to Hallow GOODLOE of Nashville, TN and Mrs. E. B. HOFF of Dyersburg, TN. The will, dated 25 Apr 1832, page 23 WB 1837, names the children of Thomas Wood as John, Polly, Patsie COCKE, Nancy, Posha, George A., who were given \$1.00 each since they had received fair proportions of property heretofore; Elizabeth MOORE, one feather bed and one cow; Frances ESTES, one Negro girl named Almira; and son, Josiah Wood, all the remainder of his property. His wife is not named in the will. Josiah Wood and Benjamin Estes were sole Executors and the will was signed Thomas (X) Wood.

THREE ROSSER BIBLES - Contributed by Mrs. Jay G. Rosser, 102 E. Court,  
Somerville, TN 38068

These Bibles contain data of three branches of the same family. One Bible is owned by Ed ROSSER, Collinsville, OK; another Bible is owned by Mable COFFMAN, Clarksburg, TN and the third by Thomas B. BAKER, Nashville, TN. Since it is difficult to determine some relationships from the Bible listings, they have been copied as written, even though there are duplicate names. The Rosser family moved from Chatham Co NC to Carroll Co TN at Clarksburg in 1836/37.

Inserted in the Bible owned by Thomas B. Baker are two pages of family records. Information enclosed by parentheses is written in a hand different from the original script. As abstracted it reads:

REVOLUTIONARY VETERAN ROBERT THARP - Contributed by Terry L. Carpenter, 171 Eutaw St., Starkville, MS 39759

While researching in Colbert Co., AL on his family line, Mr. Carpenter found the following information on Robert Tharp. Since almost all of the records from Franklin Co AL have been destroyed by fire and many of the descendants intermarried with Tennessee families, Mr. Carpenter thought this information might be of interest to our readers.

Robert THARP, Sr. was born about 1740, probably in North Carolina. He enlisted for service in the Revolution from the Salisbury District of North Carolina and received a Pension #(R-10-478). His wife's name is unknown. About 1820 the entire family moved to old Franklin Co AL where they continued to live until the deaths of Robert and his wife, both of whom lived to be over 100 years of age. Robert died 3 Aug 1842. Their children are not necessarily in the order of their birth.

1. John Tharp - born c1780/82; married Elizabeth ? and left no surviving children. The division of his estate among his brothers and sisters and their children created an extensive record of the family.
2. Phoebe Tharp - born c1790; married Charles B. MATLOCK. Their children were: Robert C., James, Nancy, William and Martenia
3. Hezekiah Tharp - born c1795; married Nancy ? Their children were: Robert; Nancy, married Wm Henry VANDIVER; Rufus; James C.; Permellia A., married John PENNINGTON; Mary Jane, married ? TEAS; Presley; Elizabeth, married John D. CLARK; Hannah C.

Robert Holmes was born 5 Jan 1748 in Ireland. He landed in Philadelphia in June 1771 and lived on the forks of the Brandywine River in PA until 1777. He served in the Revolution enlisting in 1775. When taken prisoner he was placed aboard one of the British prison vessels, either the Concord, Two Sisters or the Fidelity, but he escaped on New Year's Day of 1781 having survived smallpox that ravaged the captives. He lived in Rowan and Iredell Counties, NC until 1806 when he moved to Sumner Co TN, where he died in February 1838.

On 10 Oct 1781 he married Marjory BELL, daughter of Thomas Bell, in Rowan Co NC. She applied for a widow's pension while living in the home of her daughter, Elizabeth McCracken, in Williamson Co TN in 1839. She died at the home of her son, Albert Holmes, in Macon Co TN 30 Apr 1841.

Elizabeth Holmes, born 22 Oct 1788, married c1805 NC to Thomas McCracken, son of John and Jean (LYTLE) McCracken. Soon after their marriage they settled in Williamson Co TN where thirteen children were born to them. By 1842 the whole family moved to Polk Co MO where Thomas and Elizabeth died in 1858 and 1870 respectively and are buried in Tillery Cemetery.

Margery Holmes, born 20 Feb 1790, married Daniel HENDERSON in Tennessee.

Robert Holmes, born 7 Mar 1793, had four sons by a first wife. About 1839/40 in Maury Co TN he married Rachel Emeline LATTA and they had seven children. About 1841 Robert and his family moved from Maury Co TN to Polk Co MO, but by 1851 they were living in Boone Co AR. They lived there until his death in 1861 and hers in 1883. Both are buried in Holmes Cemetery, Bellefonte, Boone Co AR.

Thomas Holmes, born 10 Oct 1796, first married Elizabeth BILLINGSLEY 1820/21 in Humphreys Co TN. She was born 1796 in Pendleton District, SC and was the daughter of James and Catherine (WALDRON) Billingsley. Five children were born to them. They lived in Humphreys Co TN from 1822 to 1828 when they moved to Carroll Co TN,

where Elizabeth died in 1831. About 1832 Thomas married Rebecca Billingsley in Carroll Co TN. She was born 1802 in Logan Co KY, daughter of Samuel and Mary Billingsley. Six children were born to them in Carroll Co TN.

Nancy Holmes is not recorded by that name, but perhaps she is the same as the Agnes in the Bible. She married John G. ALEXANDER, born 1807. They lived in Allen Co KY where their eleven children were born. John was the son of Dr. James Alexander, a surgeon in the Revolutionary War and a native of North Carolina. John and Nancy (Agnes) moved with their family to Simpson Co KY where they lived until their deaths in 1883 and 1881 respectively.

## THE MASTER SURNAME INDEX

The MASTER SURNAME INDEX contains thousands of cards representing individuals in the family trees of our subscribing and active members, and is maintained by the Tennessee Genealogical Society to help its members with their research. It is not restricted to any particular locality, but covers families who lived in various European countries as well as every state in the United States.

The Society does not do extensive family research for you; however, we can send you information from this file which could be very useful. The information includes data from the card(s) and names and addresses of those working on the same surname. Three (3) family names may be requested at a time. This service--for members only--may be obtained by writing the Tennessee Genealogical Society, P. O. Box 12124, Memphis, Tennessee 38182-0124. Always send a stamped, self-addressed envelope with each request. You can make this file work for you by sending a 3"x5" index card, typed or plainly printed, for each member of your family tree. Use only 3"x5" cards--cards of any other size will not fit our file. Each card should contain at least one date and one place, even if they are estimated. This will enable us to distinguish a person who lived in one area in the 17th century from another with the same name who lived in another area in the 19th century. List names and birthdates of the subject's children on the back side of the index card. For example:

<u>Lanier</u>	<u>William</u>	<u>Hicks</u>	<u>M</u>
Surname	First name	Middle name	M or F
b. <u>4 July 1805</u>	Where <u>probably Granville Co., NC</u>		
d. <u>6 Nov 1886</u>	Where <u>Dyer Co., TN</u>		
m. <u>19 Sep 1826</u>	Where <u>Halifax Co., VA</u>		
Subject's Spouse:		<u>Judith C. Cabaniss</u>	
Subject's Parents:		<u>probably Wm.H.Lanier &amp; Mary Ballard</u>	
Your name	<u>Betty Brandon Davis</u>		
Address	<u>1610 Wheaton</u>		
City, State, Zip	<u>Memphis, TN 38117</u>		

The Society also encourages members to send 5-generation Family Charts, which should always be accompanied by 3"x5" cards for the Surname Index.

Keep your address current with the Surname Index secretary to assure that all correspondence on your surnames from other researchers will reach you promptly.
