OVER THE EDITOR'S DESK

Letters that come to the Editor's desk present a great variety of subjects; some are requests for publicity on certain events, others are compliments or complaints, and some contain information that readers want to share with our subscribers. Not all of these are relayed to you; after all, who wants to air complaints and caveats? But the notices of meetings, workshops and seminars are always welcomed and gladly relayed to you...IF WE RECEIVE THEM IN TIME. Our printer's deadlines are: the first of March, June, September and December, but we must have the copy two weeks before those dates. Here are some opportunities for your calendar:

Genealogy Society of DeSoto County (Mississippi) is sponsoring "Climbing Your Family Tree Can Be Fun", a workshop from Everton Publishers, on 7 Oct 1992 at Hernando United Methodist Church, Hernando, MS. For information call Mrs. Ozell D. Scott (601) 429-6204.

Two family societies have already set the dates for 1993 meetings. The Southern BEAN Association will meet 17-19 June 1993 at LaGrange, GA. Contact Mr. & Mrs. Clayton Waugh, 1251 Tope Rd., Sharpsburg, GA 30277. The MARTIN Family Reunion is scheduled for the first week-end in August, 1993. Information may be obtained through Mary Ann Hollifield, 1345 New Garden Rd., Greensboro, NC 27410.

Another type of letter comes from Craig D. Rhodes, 133 Montclair Loop, Daphne, AL 36526. He offers information while asking for help.

"The Union Mission Cemetery & Sunday School is located in Clarksville, Mecklenburg Co., VA. The church was destroyed by fire after 1946, and the cemetery has suffered from years of neglect. Surnames found include: AVERETT; GLASSCOCK; McLAUGHLIN; RHODES; ROYSTER; WHEELER; WHITT and five unreadable names..." Mr. Rhodes has received the deed to the cemetery and is beginning to restore it. He wants to establish a non-profit organization and an interest-bearing trust fund to provide perpetual care for the cemetery. Persons interested in sharing in this project may contact Mr. Rhodes at the above address.

A local member gave us this reply to a request for information from the General Commission on Archives and History of The United Methodist Church, P.O. Box 127, Madison, NJ 07940:

"The resources for genealogical research...(here) are limited to full-time, fully ordained clergy of the United Methodist Church and its predecessors...We do not have baptismal, marriage, funeral, or membership records. Obituaries of deceased preachers have been a part of the printed minutes of the regional (annual) conference of these churches from their formation. When found, we will be delighted to supply you with a photocopy.

Please note that in the nineteenth century many persons who performed pastoral duties in several of the above churches were 'Local Preachers', that is, not full-time, fully ordained clergy. For this large group no obituaries were ever printed. As such, we cannot trace persons in this category. Therefore, if you know that the person you are researching was a layperson or a local preacher, then you know that we cannot help you...

You are welcome to visit our center and do your own research. It is on the campus of Drew University in Madison, New Jersey. Hours are 9:00 a.m. to 5:00 p.m. Monday through Friday, except holidays."

One must write to the Archives at the above address to obtain a request form, complete the form and return it with a check for \$15.00 for each name. They will return your check if they are unable to locate an obituary.

GILES COUNTY, TENNESSEE 1836 TAX LIST

Transcribed from Tennessee State Library and Archives Microfilm, Tax Lists Roll No. 3
by Ausborne C. Tatum & Harry M. Cleveland Jr.

Abbreviations: DIST. = District, A = Acres, TL = Town Lot, S = Slave, W = White Poll, and DT = Double Tax ("...not having given in on time according to Law").

Giles County was created in 1809 from the southern end of Maury County. It was bounded on the east by Lincoln and south by the state of Alabama, but the western boundary was indefinite until after the Chickasaw Cession of 1816. The only significant boundary change took place when the north-east corner, including Cornersville, was taken to form Marshall County. In December of 1835, Tennessee Legislators passed an act to divide counties into Civil Districts and Commissioners were appointed to lay off the boundaries and designate places for holding elections. Abel WILSON, Jno. WHITE(?), Homer RAINEY and John W BORDENHAMER were appointed from Giles Co.

DIST. No. 1 Begins at the southeast corner of Giles Co., the point of intersection of the southern boundary of Tennessee with the western boundary of Lincoln Co., running west with the state line to Elk River, thence up sd river to the Lincoln Co. line, thence south with that line to the beginning; elections to be held at John MENIFEE's.

THE MERONEYS, A CONFEDERATE FAMILY - Submitted by Jeanette Probst Tabb
5220 Valerie Street, Bellaire, TX 77401

Benjamin Davis MERONEY was born 10 March 1810 in North Carolina, the son of Phillip D. Meroney and Martha DAVIS. On May 24, 1831, he married Mary Ann NOLEN, the daughter of Joseph and Rebecca Nolen of Blount Co, TN. By 1847 the growing family moved from Blount to Polk Co, where Benjamin was a Constable of the 7th Civil District. In 1849/50 they traveled through Alabama on their way to settle at Silver Springs, Floyd Co, GA.

The parents, seven sons, and five daughters lived very comfortably on a good farm at Silver Springs. At the out break of the Civil War in 1861, four sons volunteered. Zachary Taylor, 12, was too young. The four were: Cyprus Broyles, age 26, married with three children; Daniel Ross C., age 23; Hugh (Hackett) C., age 16; and Jacob Nolen, age 15. Early in 1862, they became violently ill and were hospitalized. Hugh died 27 June 1862, and his body was returned by train for burial. From the Hospital, Cyprus hired a substitute to fight in the first Battle of Manassas (Bull Run). He recovered enough to fight in the 2nd Battle of Manassas, where he was severely wounded and died 18 Sept 1862 in a hospital in Middleburg, VA.

When Benjamin Meroney received the sad news, he rode to Cedartown to enlist. He was 52 years old and volunteered with the GA 1st Cavalry Co A, where he was placed in charge of brigade wagons, serving under General Davidson until surrender in 1865. Ross and Jacob recovered and rejoined the struggle. Jacob was captured at Gettysburg and imprisoned in Maryland. Ross was wounded and moved to the TN Cavalry under General Hood. He was also captured and imprisoned. In 1865 Ross returned home a sick man. He never married and in 1908 was living with a sister, Mary Ann WASHINGTON. Ross received a pension from his Georgia service.

Young Zachary tried again and enlisted for three years in June 1863. He was discharged by the Secretary of War 12 Mar 1864, as "being a minor." In that year Sherman's troops burned the Meroney home in Georgia. Martha Rebecca "Mattie" was the mainstay of the family. She was born in 1843 in Blount Co, TN as were several of the other children. A tiny red-headed, blue-eyed lady, she was a devout Presbyterian. She married Robert B. LUMPKIN in 1871 and later moved to TX. Other children in the family were Zania D., Oceola M., Lou Emma Agnes, Claibourne B., and Augustus Franklin. Mary Ann (Nolen) Meroney died in 1896 and was buried in New Bethel Cemetery in Silver Springs. Benjamin Davis Meroney died 23 Sept 1902 in the Confederate Home at Jacksonville, AL, at the age of 92. He was buried with his wife in Floyd Co, GA.

On 18 Nov 1898, Benjamin Meroney wrote a letter to his daughter, Rebecca Lumpkin. "I will write to let you know I am stil living and am at the same plase that I have lived for the last three years in good health....This country is in better condition than it has ben for a good many years. The people is out of debt and got plenty to live on....It is supposed that Anniston will be a regular Army post in the future and that will be considerabel help to Anniston and surrounding country for it takes between fifty and sixty thousand dollars a month to pay off the soldiers....I want you all to write to me as soon as you get this....Baby it looks like you could come to see me if you would....I remain as ever your father." A Mr. and Mrs. REAVES are also mentioned in the letter which was addressed to R.B. Lumpkin and family at WEAVER's Station, Alabama.

PETITIONS TO THE GENERAL ASSEMBLY OF TENNESSEE

*Abstracted from Tennessee State Library and Archives Microfilm**Legislative Petitions 1799-1801, Roll No. 1**(Continued from Summer issue)*

1-1-1801 *This petition seems to be in opposition to a petition published in "Ansear-chin'" News, Vol. 16, No. 1, 1969 wherein petitioners asked for a new county to be formed from parts of Smith and Wilson Counties.*

1-1-1801 Inhabitants of Smith County living on Obed River state that they are aware that an attempt will be made to consolidate a part of Wilson County with Smith County "for the purpose of accomodating a few designing individuals" to form a new county. Such an act would be illegal because the intent has not been advertised, and the county has not been surveyed. They do not believe there is enough space for another county. Petitions to the General Assembly of Tennessee (continued)

2-1-1801 Petition of Charles ROBERTSON, formerly of Greene County, now of Davidson County, Tennessee. In 1796 he made a contract with Gov. John SEVIER to cut a wagon road from SHARALD's Cove to the Warm Springs on French Broad River in Greene Co. He cut the road "in Sufficient order for a common team of farm horses to hawl fourteen hundred pound weight over in a wagon." The road was inspected and received by the commissioners appointed for that purpose, but the Governor refused payment because the Legislature "had not, by law appropriated money for that particular purpose." Robertson was advised to apply for such a law, which he did immediately, without success. He had spent \$600 on the road and requests appropriation and payment of the contracted \$1000. Signed 4 Sep 1801

The Senate read and referred the petition to the Committee on Claims on 23 Sep 1801, then passed it to the House of Representatives, which acted the same day in the same way. The paper is marked "Reported on", but does not say whether or not Charles Robertson was ever paid.

The author has written her book in a narrative style which attempts to tell the ancestors' story in an historical way. Included are 20 pages of index, nineteen pictures and two illustrative maps. William and Eleanor Nutt first appeared in Augusta County, Virginia in 1740 and died in South Carolina. Related families are Speer, Spear, Hood, McCown, Ramsey, Pinnell, Barkley, Thompson, McCain, Coursart, Coursar, Hardman, Brown, Steelman and others.

CABARRUS COUNTY, N.C. ABSTRACTS OF MINUTES OF THE COURT OF PLEAS AND QUARTER SESSIONS, 1793-1797 AND DEED BOOKS 1, 2 & 3, 1793 - 1801 by Lois M. Schneider, C.G.R.S. 1988. Cabarrus County was formed from Mecklenburg County in 1792. Most of the early records are available with the exception of some wills and court minutes destroyed by fire in 1875. Deed records appear to be intact and contain valuable information for the genealogist. There is a wealth of information given in this volume.

MADISON COUNTY TENNESSEE 1870 CENSUS transcribed by Joy Darlene Wiggins. 1992. Soft Cover 8 1/2 x 11. 101 pp, surname index. Order from author, 107 Mason Street, Jackson, TN 38301. \$24.97 plus \$2.50 S&H.

Lost your relative in West Tennessee? Help may be at hand. In 1870, as today, Madison County was the "hub" of the "Golden Circle." Counties which border Madison are Gibson, Carroll, Henderson, Chester, Hardeman, Haywood and Crockett. Counties formed from a portion of Madison were Chester in 1875 and Crockett in 1845.

Information transcribed includes name, age, sex, race and multiple births. Noted are districts and post offices as well as census page numbers. It is helpfully organized by dwellings in the order given on the original because neighbors were often, or later became, kin.

GENEALOGICAL ABSTRACTS FROM GREENVILLE COUNTY, SC: THE EARLIEST MINUTE BOOKS OF TEN BAPTIST CHURCHES, 1794-1850 by Bill Storey and Anne K. McCuen. 1992. Hard Cover, 6x9". 375 pp, full name index. heads-of-household, church minute books treat all members equally, male or female, black or white. The ten churches are Brushy Creek, Clear Spring, Fork Shoals, Gowensville (Cross Roads), Mountain Creek, Reedy River (Head of Enoree), Standing Springs, Tyger (Concord, Head of Tyger River), Milford and Washington, which are widely dispersed throughout the county.

GERMAN GENEALOGICAL RESEARCH by Dr. George K Schweitzer. 1992. Soft Cover, 6x9. 252 pp. Table of Contents. Order from author, 407 Regent Court, Knoxville, TN 37923. \$18.00 postpaid.

Over one-half of genealogical searchers will find German forebears in their family trees. This guidebook has been compiled in order to provide these researchers with genealogically-pertinent information on (a) the geography, (b) the history, (c) the language, (d) the original records, (e) the secondary records, (f) the locations of the records in Germany, (g) research procedures in the US, and (h) research procedures in Europe for German family history research.

McNAIRY COUNTY TENNESSEE, LAND GRANTS, 1823-1851 Photocopied by Albert Brown. 1992 Soft Cover, 8½x11. 108 pp, indexed. Order from author, Route 1, Box 7, Buena Vista Road, Bethel Springs, TN 38315. \$25.00 postpaid.

Land records are the oldest records in McNairy County. The "Land Grant" books are the oldest books of those records. Mr. Brown has photocopied the pages from the original book, reducing it from legal to letter size. Page numbers were added, and an index prepared which lists names of entrant, entry number, warrant or certificate number, acres and date of entry.

FRANCIS JOEL MYERS FAMILY HISTORY by Linda Myers Nabors. 1992. Soft cover, 8½x11. Over 200 pp. No page numbers, no index. Order from W. G. Chipman, 1249 Waxhaw Drive, Greenville, MS 38703. \$30.00 postpaid.

An obvious labor of love, many family resources were used to outline the family of Francis Joel Myers and his wife Emily Weeks of Neshoba County MS (837) and their many descendants. Many family group sheets are reproduced with the addition of clippings, documents and some photographs.

SURRY COUNTY, NORTH CAROLINA, WILLS 1771-1827 by Jo White Linn. 1992. Hard cover, 5x8. 215 pp. full name index. Order from Genealogical Publishing Co., Inc., 1001 N. Calvert St., Baltimore, MD 21202-3897. \$25.00 plus \$3.00 S&H (MD residents add 5% tax, MI residents add 4% tax).

At its formation in 1771 from Rowan County until 1778, Surry County included the present-day North Carolina counties of Ashe, Alleghany, Wilkes, Yadkin, Stokes and Forsyth; while for the period 1770-1787 it included present-day Yadkin, Stokes, and Forsyth counties. Therefore records in this book may apply to more area than present day Surry and are especially important as there are no extant marriage bonds for Surry County from 1771 to 1780. Based on recorded wills and original wills at the North Carolina State Archives, and on "Loose Estates Papers" of intestates, also at the Archives, the abstracts cover not only wills but powers of attorney, bonds, inventories, bills of sale etc. Of particular value are the editorial notes gleaned from Mrs. Linn's research.

THE GENEALOGIST'S ADDRESS BOOK by Elizabeth Petty Bentley, 1992. Soft cover, 8½x11. 539 pp, indexed. Order from Genealogical Publishing Co., Inc., 1001 N. Calvert St., Baltimore, MD 21202. \$29.95 plus \$3.00 S&H.

Since any address book worthy of its name must be up-to-date, GPC has decided to issue a new edition of the Genealogist's Address Book every two years, kicking off with this new 1992-1993 edition. It is a national Yellow Pages for the genealogist. Classified by subject, cross-referenced and alphabetized. It puts you in touch with all the key sources of genealogical information, giving names, addresses, phone numbers, contact persons and business hours of libraries, archives societies and many other research sources.

SUBSCRIBER BENEFITS INCLUDE

One free query annually of 50 words or less published in the magazine; paid queries or advertisements are not accepted for publication

Exchange privileges from the Society's Master Surname Index, a card file of ancestral information provided by subscribers; Self Addressed Stamped Envelope (SASE) required

GUIDELINES FOR QUERIES

Queries are published for subscribers only. Each subscriber is entitled to one free query of 50 words or less per subscription year. It may be convenient to forward a query with your subscription payment. Your query must:

1. be typed or printed plainly with no abbreviations; ask questions such as who, where, when
2. be submitted on a separate sheet of paper headed "Query"
3. have no more than fifty words
4. show your name and address on the sheet with your query
5. be received before 1 SEPTEMBER of a subscription year to assure publication during that year

GUIDELINES FOR SURNAME INDEX CARDS

Subscribers are invited to furnish vital statistics on ancestors from any locality for the Society's Master Surname File. Use only 3 x 5 inch cards (no other size fits the file). Include your name and address; put the current date at the top right corner of each card; please list names and birth dates of subject's children on the back of the index card. Please use the sample card format shown below.

Subscribers may request a search of the Surname Index File for ancestors and persons who could be researching the same name—only one family name for each request, please, and no more than one search request per month. A long SASE is essential for return of information in the file. Each card should include at least one date and one location (even if they are estimated) in addition to the surname and given name. You may want to keep a list of Index Cards you have submitted; and if there is a change in your address or information on any of your Surname Cards, you can send new cards with instructions to replace old cards. Index Cards are filed alphabetically by ancestor surname.
