## OVER THE EDITOR'S DESK

There is nothing more exhilarating than warm sunshine, brisk breezes, budding flowering trees, and a new lead on an old "stone-wall" block. You never know where you may find that new lead. Maybe your ancestor signed an early petition to the Tennessee General Assembly or paid taxes in Putnam County, or passed through Gibson County in time to purchase at an estate sale. Be sure to check these articles in this issue. I believe that they moved around much more than we give them credit for. Maybe one of the contacts below will present a new lead for you.

The newly formed Chapman Family Association offers an excellent newsletter, connection to other Chapman descendants from the same ancestor, and access to future Chapman research done by the membership. Contact Robert L. Sonfield, Jr., 770 South Post Oak Lane, Suite 435, Houston, TX 77056-1913 for information.

Maybe your "stone-wall" exists because of a spelling change to the original family name. The Alford American Family Association is a non-profit corporation for all branches of the family and includes over 100 spelling variations, such as Halford, Alvord, etc. This group will hold its annual reunion October 13-15, 1995 at the Holiday Inn in Decatur, AL. Contact Paul W. Alford, P.O. Box 5429, Decatur, AL, 35601 (205) 335-6943 or Gilbert K. Alford, P.O. Box 1586, Florissant, MO 63031, (314) 831-8648 for further information.

Is your "stone-wall" problem due to too many of the same name? How about JONES? Descendants of John Jones, (who was born 1750 in VA and settled in Giles Co., TN then moved to Texas) are willing to help you find out if you are one of them. They are gathering for a reunion 11 June 1995 at Minor Hill Community Building, near Pulaski, TN. For more information write Diann Applin 512 Oakwood Dr., Argyle, TX 76226.

Have you checked out all the family books compiled on your "stone-wall" name? The Washington Family of Pontotoc County, MS will have their book available at their reunion on Sunday, 17 Sept 1995 at Thaxton Park, Thaxton, MS. If you have this line, but can't attend the reunion, you may still get the book by calling Pauline Washington (901) 358-0595 or Polly Tutor (601) 489-2691.

The family reunion itself is a good place to go for research; it keeps you from feeling that you're the only one working, and maybe having to explain your problem may spark another's idea or interpretation...brainstorming, perhaps. One reunion offers a distinguished banquet speaker, who is a family member.

The Gulley Family in America invites all Gulley/Gully/Gullie descendants to the eighth biennial Reunion, 13-15 Oct 1995 at the Holiday Inn, Richardson, TX where the scheduled banquet speaker is Bill Gulley, author of Breaking Cover, a journal of his eleven years in the White House Military Office under four presidents. For more details contact Wayne E. Gulley, 0595 West 050 North, LaGrange, IN 46761 (219) 463-3581. While you're in the Dallas area, perhaps you'll have a chance to visit Houston's wonderful Clayton Library.

If your "stone-wall" involves a French Canadian ancestor, Genealogy Research International may be your answer. Their office in Ottawa, Ontario has been expanded, and marriage records that were inaccessible to you in the U.S. are now available from their office at #30-1491 Richmond Road, Ottawa, Ontario, Canada K2B 6R9.

All of the above people are willing to help you, but don't forget SASE.  
Happy Hunting!

## FAMILY GATHERINGS

A SPECIAL VALENTINE'S DAY - *Submitted by Shirley Walters Nygaard*  
7022 Hunter's Glen Rd., Dallas, TX 75205

My husband's father, Marius Jensen Nygaard, was from Herning, Denmark. He served in the Danish navy before moving to the United States where he later married my husband's mother, Lois Marie McClurkin of Arkansas. She died when my husband was ten years old.

In 1981, my husband's maiden aunt, who had the family Bible and photograph album, died. As sometimes happens, a family member grabbed both the Bible and album before the funeral, and we have not seen either since. My only regret was the album contained the 1927 newspaper article and picture of my late mother-in-law in her lovely wedding dress. My daughter, her only grandchild, did not know what her paternal grandmother looked like.

After Marius Jensen Nygaard's death in 1985, I wrote to the public records depositories in Copenhagen and Herning, Denmark in search of his naval record. To my disappointment, they wrote back and said that there were no records. However, a few weeks later I received a letter from a woman in Denmark which stated that my letter to the Herning public record depository had been published in the newspaper there. She said that she was a relative, and wanted to know about the American family. In response, I wrote her a very long letter.

Some weeks later, on St. Valentine's Day, the postman arrived at my home with a package from Denmark. Inside was a ten by fourteen hand colored portrait of my husband's mother in her lovely wedding dress (it is the only picture we have of her). Needless to say, it was a very special Valentine's Day.

FOUND: PHOTOGRAPH FROM 1800s - *Submitted by Mrs. James O. Joyner*  
2336 MacGruder Cv., Memphis, TN 38119

Mrs. Joyner has a two and one-half by four inch photograph of 1800 vintage of an East Tennessee preacher, obtained at a "Flea Market" for \$1.00. The inscription, "To Mother Pendleton, from her E. Tennessee preacher," appears on the back. An incomplete last name, "\_ailey," follows. The handsome photograph by Knoffe Photographers (Knoxville/Nashville?) is available if you can identify the ancestral relationship. Please send SASE.

ESTATE AND FAMILY OF MICHAEL BURKE - *Memphis and Shelby County Archives*  
 33 S. Front St., Memphis, TN 38103

A petition, No. 4667 - 1878, filed by John Loague, Public Administrator, (June 1885) to the Probate Court of Shelby County, Tennessee, on behalf of Father Bloomer, Treasurer of St. Peter's Church refers to the estate and surviving family of one Michael Burke, who departed this life in 1878. Father Bloomer affirmed (Nov. 9, 1882) that Michael Burke left no immediate living survivors, having neither wife nor children, having never been married. Michael Burke had on deposit at the church, three hundred dollars, as churches of the time sometimes acted as bankers for the parishoners.

Michael Burke was survived by the children of a sister, Mary Ellen Burke Bohlen, spouse of John Bohlen, both deceased. Mary Ellen Burke Bohlen died in 1874 in Memphis and her husband John Bohlen died in 1877. The children were Mary Ellen Bohlen, age 19 of 184 Winchester, Memphis, TN; Michael Bohlen, age 20, somewhere "down the river;" and Patrick Bohlen, age 29, somewhere in St. Paul, MN. Two other sisters of Michael Burke were both deceased, one Catherine or Kate, unmarried, who died in Memphis in 1878, and Mary who had remained in Ireland was also deceased.

Affidavits were obtained and presented to the Court supporting the right of Mary Ellen Bohlen to inherit the money on deposit at St. Peter's Church. Those giving the affidavits were:

Mrs. Mary Hurley and her dau, Mrs. Jane Carroll, of 35 Manassas, stated they knew the Burke and Bohlen families and that Mary Ellen Bohlen was the only living relative of known address.

Mrs. Jane Carroll of 13 Manassas stated in her deposition of June 1885 that she had known both families since 1861, and the facts as stated were true.

Mrs. Catherine O'Gere, widow of Bernard O'Gere, of 108 Winchester Avenue, gave a deposition (June 1885) supporting the above facts, and stating that Michael Burke was often at her brother's (Wm. Sherley's) house.

Mary Ellen Bohlen also made affidavit (February 1885) that she was the only surviving relative of known address.

## PUTNAM COUNTY, TENNESSEE 1855 TAX LIST

Transcribed by Jane Park Paessler  
from Tennessee State Library and Archives  
Microfilm, Tax Lists Roll No. 7

Putnam County, Tennessee was created in 1854 out of White, Jackson, Overton and DeKalb Counties, making this it's first tax list. It is taken from the film of a typed copy of the original list, which may account for some obvious misspelling. In addition to the usual categories a "personality" tax was levied. Page number 48 on the microfilm roll was missing.

Abbreviations: DIST. = District, A = Acres, TL = Town Lot, S = Slave, P = Poll, Pers = personality, Grdn = Guardian, Admn = Administrator

## CIVIL WAR BIOGRAPHIES

*Compiled by Mary Louise Graham Nazor  
(Continued from Winter 1994)*

The original 1899 publication of Confederate Military History was a twelve volume set edited by Gen Clement A Evans of Georgia. About a third of each volume contains the Civil War history of that Southern State, and the last two-thirds gives biographical sketches and War experiences of general officers, privates & patriotic citizens. This history was a subscription set, and a prospectus of about twenty pages was circulated in early 1896. A person signed a contract for the \$48 cloth or \$60 half-leather set of books. At that time, the subscribers were asked to send biographical information to be included. At a later date, the Confederate Veterans Magazine sold the sets for half price so that the average man could afford it.

In the original set, Volume VII contained the Tennessee data. Since a full set of the 1899 version is rare, there was a 1987 Reprint Extended Edition of seventeen volumes (each state a separate volume) plus a two volume index.

Only genealogical information was abstracted from the biographies, each of which is usually one printed page, however some are more. Each man gave his Civil War record in his own words, but when a veteran was deceased, a relative or friend wrote the biography. These personal accounts are very detailed, containing many poignant stories. All locales given are in Tennessee unless otherwise noted.

To order a zerox copy of the full-page biography of a veteran listed in this Tennessee book, send the name and \$5.00 to the Tennessee Genealogical Society, P.O. Box 111249, Memphis, TN 38111-1249.

GIBSON COUNTY, TENNESSEE ADMINISTRATORS'  
BONDS, REPORTS AND SETTLEMENTS  
1824-1833

Original documents known as loose papers may reveal heretofore unknown facts about an ancestor. The facts listed in this article were taken from hundreds of time-yellowed, stained, sometimes torn or smoked, pieces of paper in every size. They frequently give an inventory of the property of the deceased, which would include the name of the administrator and possibly family connections, as well as insight into the life style of an individual. The names of the people who bought at the sale of his property could indicate other members of his family, friends or neighbors. Commissioners were appointed by the court to audit an Administrator's report, which might reveal the names of the heirs, however, the contents of each estate are not consistent, and sometimes only the Commissioners were identified.

Gibson County was formed from the Western District in 1823, and by 1824 the court system was established. At some later date, the loose papers of each estate were bundled together, and eventually the bundles were placed in boxes by decades. Occasionally, an administration will continue into the next decade before it is settled, and the loose papers will be divided into two boxes. We have combined two of the earliest boxes (the Bonds box and the Reports & Settlements box), unfolding, cleaning, sorting and abstracting each document and have placed them in acid-free folders.

The abstract of Gibson County estate papers begins with an assigned number, followed by the date of the earliest document (when given) and the Book and page numbers of the original filing in Gibson County. Identification of a person's role in the estate is given in the column beside his name. There are no names beginning with "A" in this time period.

## PETITIONS TO THE GENERAL ASSEMBLY OF TENNESSEE

*Abstracted from Tennessee State Library and Archives Microfilm  
Legislative Petitions 1803, Roll No. 2  
(Continued from Winter issue 1994)*

35-1-1803 The petition of acquaintances of Gasper Lott, a free man-of-color, whose great industry and honesty have produced for him considerable property. However, due to present laws he is deprived of the privilege of proving his accounts, which tends to deprive him of the benefits of a citizen. They believe such a situation will tend to discourage him, as well as other well-behaved persons like him, from "making the efforts they otherwise would do to gain an honest livelihood..." They ask for consideration of his case and whatever "relief" may seem just.

## BOOK REVIEWS

*Prepared by Marion Graves*

GLENN and KIN Descendants of James Glen of Hanover County, Virginia 1717-1993 by Jeannette May Christopher. 1994. Revised & updated edition. Hardback, 6x9, 648 pp. Full name index. Order from Annie Glenn Howell, c/o Genealogy Publishing Service, 448 Ruby Mine Road, Franklin, NC 28734. \$45.00 plus \$4.50 p&h. NC residents please add \$2.40 sales tax.

This account of James Glen I (who died in Hanover County, VA, c1762-63) and his descendants is the result of research by several of those descendants. Research began in 1889, and this volume, printed on acid-free paper, is a revised and expanded version of one first published in 1975 by the Glenn Family Association. Allied families include: Bowker, Bowles, Carlisle, Coleman, Dabnam, Dennie, Fant, Farr, Gilliam, Greer, Gregory, Harris, Hicks, Hill, Hopkins, Hurst, Johnson, Jones, Kennedy, Lyles, Macon, Matthews, May, McGeehee, McJunkin, Miller, Peake, Perrin, Peters, Rice, Sanders/Saunders, Sartor, Sims, Smith, Thomas, Tigner, Triplett, Walker, Warnock, Wilkes/Wilks, Williams, Wright, Young/Yongue, and others. References to other early Glenns in Virginia, as found in land patents, church records, etc., are included.

CEMETERIES OF PANOLA COUNTY MISSISSIPPI published by The Panola Historical and Genealogical Society. 1994. Soft back, 9x11, 308 pp. Full name index. Order from the Society, 129 Panola Ave., Batesville, MS 38606. \$15.00 plus \$3.00 p&h.

Cemeteries of Panola county were originally published by this society (known locally as Pan-Gens) as three smaller volumes in 1977, 1980 & 1981. The 1994 edition is the result of re-checking cemeteries and up-dating all three previous editions, and the inclusion of fifteen black cemeteries. This listing is in alphabetical order by name of the cemetery and usually by names on the markers in them. The easy-to-follow arrangement is introduced by the surname in capital letters, followed by the list of individual graves. Lots are shown in the order of placement. Each section is introduced with a very brief history and the location of the cemetery. A map is included with the cemetery locations shown by number.

PANOLA REMEMBERS Education in a Southern Community A Historical and Sociological Study by C. E. Lindgren. 1994. Soft cover, 5x8, 225 pp. Order from The Panola County Historical & Genealogical Society, 129 Panola Avenue, Batesville, MS 38606. \$20.00 plus \$3.00 p&h.

PANOLA REMEMBERS traces education in the county from earliest times to the present, using personal interviews, as well as documents and newspapers from the past. The author discusses problems and progress over the years. Over 1,000 individuals who have worked in the schools and community are mentioned. This volume includes some genealogical information as well as historical material.

INDEX TO WILLS AND ADMINISTRATIONS OF ARKANSAS FROM THE EARLIEST TO 1900 compiled and edited by Mrs. James Harold Stevenson and Mrs. Edward Lynn Westbrooke. 1986. Hard cover, 8x11, 748 pp. Order from Mrs. Frank F. Sloan, 602 West Oak, Jonesboro, AR. 72401-3903. \$35.00 plus \$1.50 p&h.

For Arkansas researchers this massive compilation of wills and administrations from all Arkansas counties is a treasure chest of information. Except for Madison County, records are arranged by date, and in all counties, entries are listed by the surname of the testator. Undertaken by the state DAR in 1986, this project is the fruit of many chapters' labors. It is a necessity for libraries and serious Arkansas researchers, and a bargain at today's prices.

1870 U.S. FEDERAL CENSUS SULLIVAN COUNTY, TENNESSEE published by the Holston Territory Genealogical Society. 1994. Soft cover, 8x11. Indexed, 292 pp. Order from HTGS, P. O. Box 433, Bristol, VA 24203. \$25.00.

This census transcript includes all members of a household, age, occupation, and place of birth, if given. A map of Sullivan County showing the 1870 civil districts and a list of 1870 and 1994 postoffices are most helpful. The committee chairman recommends this transcription as a quick reference guideline to the original census on microfilm. Large print and generous spacing make this publication a joy to use.

Book Reviews (continued)

THE GENEALOGIST'S ADDRESS BOOK by Elizabeth Petty Bentley. 3rd edition 1995. Soft cover, 8x11. Index to periodicals, newspapers and general index, 653 pp. Order from Genealogical Publishing Co., Inc., 1001 N. Calvert St., Baltimore, MD. \$34.95.

Compiled mainly from questionnaires, this third edition is a revised and enlarged version of the earlier volume. Names, addresses, phone numbers, contact persons and business hours are given for libraries, archives, genealogical societies, historical societies, government agencies, vital records offices, professional bodies, religious organizations, surname registries, research centers, periodicals, newspaper columns, publishers, booksellers, databases, bulletin boards and many other sources are given. Organized by national addresses, state addresses, ethnic and religious originations, and special resources, this volume presents a wide range of research possibilities.

THE JACOB ENGLEBRECHT MARRIAGE LEDGER OF FREDERICK COUNTY, MARYLAND 1820-1890 compiled by Trudie Davis-Long and Edith O. Eader. 1994. Soft cover, 8x11. Full name index, 269 pp. Order from Paw Prints, Inc., P.O. Box 52, Monrovia, MD 21770. \$15.00 plus \$2.00 p&h. Maryland residents add 5% sales tax.

Jacob Engelbrecht, tailor and at one time mayor of Frederick, Maryland, kept notebooks in which he wrote his observations about life around him. These diaries became wet during a flood. Following the flood, he abstracted the marriages from the loose papers. The listing is alphabetical with husband, wife and date given. Additional information, such as 2nd wife, Penobscot Indians, and "Fair bride", is given. Well known individuals, including Queen Victoria and Prince Albert, are included.

PROPER NAMES MASTER INDEX edited by Frank R. Abate. 1994. Hardback, 9x11, 1915 pp. In two volumes. Order from Ominigraphics, Inc., Penobscot Building, Detroit, MI 48226. \$125.00/set.

This is a source used for locating proper names listed in other source books. The proper names included are not those of famous, historical persons, but rather names from mythology, The Bible, history, law or science etc. For example, under Chopin is given the code name PronPrpNam. A master index reveals that source to be "The Pronunciation of 10,000 Proper Names" by Mackey & Mackey. More than 60 such reference sources are included in this index. Librarians and researchers will know exactly which sources to consult for more detailed information on any of the 200,000 different proper names listed in these volumes.

WILLIAMSON COUNTY, TENNESSEE COUNTY COURT MINUTES MAY 1806-APRIL 1812 by Carol Wells. 1994. Soft cover, 5x8. Full name index, 227 pp. Order from Heritage Books, Inc., 1540-E Pointer Ridge Pl., Suite #300, Bowie, MD 20716. \$20.00 plus \$3.50 p&h.

There is no census for the years covered by this volume, therefore county records are especially important as the only source of information for the time period. These court minutes cover many aspects of frontier life. Among the subjects included are: disputes and lawsuits, road building, handling of insanity, illegitimacy, death, guardianships, apprenticeships, the remarriage of widows, delinquent taxes, public sales, deeds, depositions, and powers-of-attorney. The growth of the community is shown through the sale of town lots and the licensing of ordinaries, ferries, and mill sites. Unfortunately, the wealth of material requires greatly reduced type in order to produce a handy book.

ONLY THE NAMES REMAIN, Vol. 4, Going Snake District by Sandi Garrett. 1994. Soft cover, 8x11. Full name index, 121 pp. \$15.00.

ONLY THE NAMES REMAIN, Vol. 5, Delaware District by Sandi Garrett. 1994. Soft cover, 8x11. Full name index, 164 pp. \$20.00. Order from Sandi Garrett, P.O. Box 48, Spavinaw, OK 74366. (918) 589-2236.

These two volumes continue a series which links the names from the Drennen Roll with the names in the Guion Miller Applications. Each volume includes an explanation of the sources. Volume 4 contains material related to the Going Snake District and includes a map of the district. Volume 5 covers the Delaware District with a map of that region. The series will be completed in Volume 6, Tahlequah & Skin Bayou districts, which is scheduled to be in print this spring.

THE JAMESTOWNE SOCIETY REGISTER OF QUALIFYING SEVENTEENTH ANCESTORS. 1994. Soft cover, 5x8. Order from The Jamestowne Society, P.O. Box 17426, Richmond, VA 23226. \$10.00.

The Society has published this list of seventeenth century inhabitants of Jamestown, including their service and dates, to aid genealogical research and to promote the growth of the Society. Descent from one of the individuals listed is the basis for membership in the organization. All possible Jamestown residents are not known; others may be proved in time. As they are proved their names will be added to future registers.

DAVIDSON COUNTY, TENNESSEE, DEED BOOKS, "T" and "W", 1829-1835 by Mary Sue Smith. 1994. Soft cover, 5x8. Full name index, slave index and place index, 389 pp. Order from Heritage Books, Inc., 1540 E Pointer Ridge Pl., Suite #300, Bowie, MD 20716. \$28.50 plus \$3.50 p&h.

Taken from the original county deed books these transcripts furnish new indexes, which include all names recorded in each instrument. The inventories of personal property provide a unique picture of life during this period and family members are identified in a time when census records list only the head of the household. This volume is of particular interest to researchers of black families who lived in this era in this place.

"WAVES OF TIME THE ANCESTRY OF CLARK W. JENNINGS MD" by Clark W. Jennings. 1994. Hardback, 9x12, 968 pp. Order from C. W. Jennings, MD, 1364 5th Circle NW, Hickory, NC 28601. (704) 327-0707. \$60.00 plus \$6.00 p&h. \$3.60 sales tax (NC only).

Comparing "the passing of one generation and the arrival of the next with the continuous arrival of waves on a beach," Dr Jennings has compiled an enormous amount of family data into this handsome tome. His unique system arranges families alphabetically using an "Index-Surname Locator" at the beginning to tie the various families together, i.e. the chapter on the Baker family contains also Hannah, Whitaker and Jennings (Thompson) material.

Eighty seven surnames in his ancestry are traced, including Jennings, Johnson, Collett, Cooper, Whitaker, Sloan, Green, Guy, Wasson, Oldham, Temple, Hannah, Cox, Dyer, Amis, Turner, Hungerford, Smoote, Barton, Philpott, Posey, Stewart, Vivion, Thompson, Glass, Dupuy, Davis, and Daniel. The 65 pages which trace the ancestry of Bridget Hungerford, born in 1580, span 69 generations and include Alfred the Great and Charlemagne. Countless maps and charts clarify the text and many pictures make it interesting to read.

THE CARNEAL FAMILY OF VIRGINIA AND KENTUCKY by Mary H. Christian. 1994. Soft cover, 8x11. Full name index, 159 pp. \$14.50 plus \$2.00 p&h.

GEORGE B. HITE'S LIBEL LAWSUIT AGAINST THE COURIER-JOURNAL (WAS JESSE JAMES IN LOVE WITH HIS UNCLE'S WIFE?) by Mary H. Christian. 1991. Soft cover, 8x11. Full name index, 157 pp. \$12.50 plus \$1.75 p&h.

Order from Mary H. Christian, 2424 Holt Road, Paducah, KY 42001.

In THE CARNEAL FAMILY the ancestors, descendants and allied lines of the Rev. Josiah Carneal and his brother, Walker Carneal, are traced from the middle eighteenth century to the present day. The text is generously illustrated with photographs of descendants. Many family group sheets are reproduced. A chapter on Thomas Carneal's house in Covington, Kentucky, and his descendants is included.

GEORGE B. HITE'S LIBEL SUIT began when on April 3, 1882, the Louisville Courier-Journal published an article which alleged a liaison between Jesse James and Sarah Hite who was married to James's uncle. George B. Hite, Sarah's husband, sued the newspaper for defamation of character but lost. This volume includes James and Hite genealogical information in addition to the newspaper articles.

THE PENN ANCESTORS traces the line to c1500 and follows it through Col. Abram Penn & his son Abram Jr. to Lorine Penn Christian & the present generations. Abram Penn and his wife, Sally Critz, left Patrick Co. VA in 1820 to settle in Todd Co. KY. Biographical sketches, photographs, and family group sheets are used to explain the text. Charts illustrate relationship to William Penn, John Penn who signed the Declaration of Independence, and Robert Penn Warren.

Book Reviews (continued)

THE WHEELERS, A Northern Virginia Colonial Family With Descendants in Tennessee, Texas & Elsewhere compiled by John Alexander Leo III. 1994. Soft cover, 8x11. Full name index, 234 pp. Order from Jack Leo, 5344 Cristfield Ct., Fairfax, VA 22032. (703) 603-5586 \$25.00 postpaid.

Beginning with John Wheeler who was transported to America in 1659, the Wheelers are traced through twelve generations to the present time. Many interesting tales are related: "William Wheler in 1728/9 petitioned the Baltimore County Court to be levy free as he was 7 years old and 'unable to get his living'." "Drummond Wheeler, who was born in 1799 in Virginia, was married and raised two families in Tennessee before migrating to Mississippi, where he married his third wife in 1847 and had a family there with her." His reason for leaving Tenn. was the passage of a law against "prize-fighting." This volume is completed with photographs of family members and a descendants chart listing all known descendants of John Wheeler, some of whom are not mentioned in the text. Footnotes give sources and references to other Wheeler family material.

THE COMPLETE ANCESTRY OF TENNESSEE WILLIAMS compiled by John A. Brayton. 1993. Hardback, 6x9. Full name index, 489 pp. Order from John A. Brayton, 1001 S. Marshall St., Suite 53, Winston-Salem, NC 27101. \$35.00 postpaid plus \$2.45 sales tax for NC residents.

Tennessee Williams' plays reflect a thorough knowledge of Southern character and manners, but his ancestry is revealed as mainly from outside the South. Dominated by New England and German/Lutheran immigrants, his background has only a few Virginia roots. This well-documented volume traces Williams' ancestry from the sixteenth century to the present. Well-known individuals with whom Williams shares ancestors are listed. They include: Dorothea Dix, Lizzie Borden, Herman Melville, Zelda Fitzgerald, Herbert Hoover, Thomas Jefferson, Franklin Roosevelt, and the Princess of Wales. Mr. Brayton says "...with the advent of... published abstracts of county records, it is as possible to uncover the truth of various family tradition which have persisted for several centuries as it has been to debunk them." The volume is completed with an appendix of related families and a twenty-one page bibliography. It is to be followed with an addendum concerning the ancestry of Gen. James Robertson of Tennessee back to the Robinsons of Colonial Henrico Co. Virginia.

Illustrated with pictures, copies of wills, marriage records, maps, and other documents, this volume begins in the early eighteenth century and follows the family of Peter Gortner-Cotner through his descendants. The family is traced from the coastal area to the west. Allied families include: Painter, Traylor, Chunn, Hoffman, Meadors, Clap, McCool, and Ford.

MATTHEW WILLIAMS (c1612-c1666) of Wethersfield, Connecticut and Descendants (Principal Colateral Lines: Ackerman, Baldwin, Brundage, Crane, Edison, McCandless, Ogden, Swaine, Tapp, Treat, VerPlanck, Winfrey) by Lyle Keith Williams. 1994. Soft cover, 8x11. Full name index, 304 pp. Order from the author, 5000 Rock River Drive, Fort Worth, TX 76103-1226. \$29.95.

This is an expanded and updated volume which includes earlier works by the same author concerning the Williams family. Beginning with Matthew Williams of Wethersfield, Connecticut, the author traced the family from 1612 to the present time. Appendices cover information on various published works on Williams, research by genealogists, and information on the name Williams. Mr. William is an experienced and open-minded researcher (though not a professional genealogist) who gives two sides to a question and encourages others to engage in further research.

## THE CERTIFICATE OF TENNESSEE ANCESTRY

Certificates are still available for people whose ancestors lived in Tennessee before 1880. Applications and information about obtaining a Certificate may be received by writing to:

THE TENNESSEE GENEALOGICAL SOCIETY

P.O. Box 111249

Memphis, Tennessee 38111-1249

Please remember to enclose a legal-sized SASE (self-addressed, stamped envelope) when you request information.

Due to the scarcity of early records in some parts of Tennessee, eligibility rules for obtaining a certificate have been revised. Now, a copy of only one document of "proof" is required for each generation to prove lineage from one generation to the next.

THE TENNESSEE GENEALOGICAL SOCIETY is in the process of preparing a book, using records gleaned from information received through the Certificate program. Only those applications with a signed release to publish (given on the back page of application) may be used. Notice of publication date and price will appear in The Tennessee Genealogical Magazine, "ANSEARCHIN'" NEWS.
